Within five (5) Business Days after Sellers receive Title Objections, Sellers will notify Buyer whether or not Sellers will cure the Title Objections (Sellers’ failure to notify Buyer of Sellers’ decision shall be deemed an election by Sellers not to cure the Title Objections).

Sellers and Buyer, jointly and severally, do hereby agree to indemnify and hold harmless the Escrow Agent of and from any and all liabilities, costs, expenses, and claims, of any nature whatsoever, by reason of or arising out of the acting as escrow agent hereunder by the named Escrow Agent. If for any reason the Closing does not occur and any Party makes a written or oral demand upon Escrow Agent for delivery to it of any funds being held by it, the Escrow Agent shall give written notice to the other Party of such demand, and if Buyer exercises a right to terminate this Agreement and demands the return of the Deposit, Escrow Agent shall give written notice of such demand to Sellers. If Escrow Agent does not receive a written objection from the non-demanding Party or Parties to the proposed delivery of the funds within three (3) Business Days after the giving of such notice, Escrow Agent is authorized, instructed and directed to make such delivery. If Escrow Agent does receive such written objection within such three (3) Business Day period, Escrow Agent shall continue to hold the funds until otherwise directed by written instructions from the Parties or a final judgment of a court of competent jurisdiction. (C) there shall not be in effect any law or any order of any court or other government entity in the United States prohibiting the transactions contemplated hereby;

(D) no preliminary or permanent injunction or other order that declares this Agreement invalid or unenforceable in any material respect or that prevents the consummation of the transactions contemplated hereby or thereby shall be in effect;

(E) entry of an order by the Bankruptcy Court which denies, dismisses or otherwise disposes of the declaratory relief sought by Plaintiff(s) named therein, including the entry of (i) the Sale Order containing findings of fact and conclusions of law effectuating such relief, (ii) an order of dismissal, or (iii) other similar resolution that is favorable to the Defendant(s) named therein (a **"Favorable Resolution"**) with respect to the South Tower Litigation (which condition requiring a Favorable Resolution can be waived by the Buyer in its sole discretion as more fully described below);

(F) a Favorable Resolution of the North Tower Litigation (which condition requiring a Favorable Resolution can be waived by the Buyer in its sole discretion as more fully described below); and

(G) a Favorable Resolution of any Other Litigation (which condition requiring a Favorable Resolution can be waived by the Buyer in its sole discretion as more fully described below).

Sellers (or any one of them) shall promptly notify Buyer in writing after each Closing Condition has been satisfied. The date on which the last of the Closing Conditions is (x) waived by Buyer or (y) satisfied and Sellers (or any one of them) have notified Buyer of same in writing shall be the **"Conditions Satisfaction Date"**. If the Closing Conditions are not satisfied on or before the date that is one hundred eighty (180) days after the Effective Date, either party may terminate this Agreement prior to the Closing Satisfaction Date by written notice to the other party whereupon Escrow Agent shall promptly return the Deposit to Buyer provided that Buyer is not otherwise in Default hereunder, and none of the Parties shall have any further obligation to the others, except for those obligations which are expressly stated to survive the termination of this Agreement, including, but not limited to the payment of the Termination Expenses to Buyer under Section 3.

In the event a Favorable Resolution is not obtained on the South Tower Litigation, the North Tower Litigation and/or any Other Litigation (an **"Unfavorable Resolution"**), Sellers (or any one of them) shall promptly notify Buyer of same. No later than five (5) Business Days after receipt of such notice, Buyer shall provide written notice to Sellers of Buyer's election to waive the Closing Conditions to obtain a Favorable Resolution of the South Tower Litigation, the North Tower Litigation and/or any Other Litigation, as applicable, and proceed to Closing without such Favorable Resolution(s), subject to the other provisions of this Agreement, or Buyer's election to terminate this Agreement (the **"Resolution Notice"**). If Buyer does not so timely provide a Resolution Notice or if Buyer provides a Resolution Notice stating that Buyer has elected to terminate this Agreement, this Agreement shall terminate or be deemed terminated, as applicable, and Escrow Agent shall promptly return the Deposit to Buyer, and none of the Parties shall have any further obligation to the others, except for those obligations which are expressly stated to survive the termination of this Agreement, including, but not limited to the obligation to pay the Termination Expenses to Buyer under Section 3.

(e) Risk of Loss & Insurance Proceeds.

(i) In the event any “material” portion (as hereinafter defined) of the Real Property is destroyed or damaged by fire or other casualty, Buyer shall have the option to terminate this Agreement upon notice to Sellers given not later than ten (10) days after receipt of the applicable Seller’s notice of the occurrence of any such fire or other casualty, together with a description of the damage and copies of such Seller’s insurance policies. If this Agreement is so terminated, the provisions of Section 10(e)(iv) hereof shall apply. If (i) Buyer does not elect to terminate this Agreement, or (ii) there is damage to or destruction of only an “immaterial” portion (“immaterial” being deemed to be any damage or destruction which is not “material”, as such term is hereinafter defined) of the Real Property, Buyer shall be obligated to close hereunder as provided in this Agreement and, at the Closing, Sellers shall, unless Sellers have repaired such damage or destruction prior to the Closing, (x) pay over to Buyer the proceeds of any insurance collected by Sellers (including, without limitation, the proceeds of any business interruption insurance applicable to the period following the Closing), plus the amount of any uncovered damage, and any insurance deductible, less the amount of all costs incurred by Sellers in connection with the repair of such damage or destruction, and (y) assign and transfer to Buyer all right, title and interest of the applicable Seller in and to any uncollected insurance proceeds (including, without limitation, the proceeds of any business interruption insurance applicable to the period following the Closing) which such Seller may be entitled to receive from such damage or destruction. A “material” portion of the Real Property shall be deemed to have been damaged or destroyed (i) if the cost of repair or replacement shall be \$1,000,000.00 or more as reasonably estimated by an insurance company adjuster reasonably acceptable to each of the Parties, or (ii) if, as a result of the damage or destruction, 10% or more of the Hotel Property has been or will be rendered unusable for more than sixty (60) days.

(ii) If, prior to the Closing Date, all or any “significant” portion (as hereinafter defined) of the Real Property is taken by eminent domain or condemnation (or is the subject of a pending taking which has not been consummated), the applicable Seller shall notify Buyer of such fact, and deliver all information in such Seller’s possession or control regarding such fact to Buyer, whereupon the Buyer shall have the option to terminate this Agreement upon notice to the Sellers given not later than ten (10) days after receipt of the applicable Seller’s notice. If this Agreement is so terminated, the provisions of Section 10(e)(iv) hereof shall apply. If Buyer does not elect to terminate this Agreement, or if only an “insignificant” portion (“insignificant” being deemed to be any taking which is not “significant”, as such term is hereinafter defined) of the Real Property is taken by eminent domain or condemnation, at the Closing, the applicable Seller shall assign and turn over, and Buyer shall be entitled to receive and keep, all awards or other proceeds for such taking by eminent domain or condemnation. A “significant” portion of the Real Property means 30% or more of the Hotel Property shall have been taken or otherwise rendered unusable as a result of the taking.

(iii) Notwithstanding anything contained in Section 10(e)(i) and (ii) hereof to the contrary, if this Agreement is not terminated as provided in Section 10(e)(i) or (ii) hereof and the insurance, eminent domain or condemnation proceeds payable with

respect to the Real Property as a result of any casualty or taking exceeds the Purchase Price, Sellers' obligation to pay over to Buyer those proceeds paid to the applicable Seller prior to the Closing shall be limited to the amount of the Purchase Price and the applicable Seller shall be entitled to retain the remainder of such proceeds. To the extent that payment of all or any portion of such proceeds does not occur prior to the Closing, the Parties agree that the applicable Seller shall be entitled to that portion of the proceeds in excess of the Purchase Price, plus collection costs, which agreement shall survive the Closing.

(iv) If Buyer elects to terminate this Agreement pursuant to Section 10(e)(i) or (ii) hereof, this Agreement shall be terminated and none of the Parties shall have any further rights, obligations or liabilities hereunder, except for those rights, obligations and/or liabilities which are expressly stated to survive the termination of this Agreement, and except that Escrow Agent shall return the Deposit to Buyer, provided that Buyer is not otherwise in Default hereunder.

11. **Adjustments and Prorations at Closing.**

(a) Cut-Off Time. The following adjustments and prorations (collectively "**Prorated Items**") shall be made at Closing. Except as otherwise expressly provided in this Agreement, all income and expenses of the Real Property shall be prorated between Sellers and Buyer as of the Cut-Off Time, so that all income and expenses of the Real Property with respect to the period prior to the Cut-Off Time shall be for the account of Sellers and all income and expenses of the Real Property with respect to the period after the Cut-Off Time shall be for the account of Buyer. Any reference in this Section (a) to payments made or cash being received by Sellers shall also include any such items which are made or received by Manager on behalf of Sellers prior to Closing. Moreover, any reference in this Section (a) to payments made or cash being received by Buyer shall also include any such items which are made or received by Manager on behalf of Buyer after Closing. No items of income or expense are to be included more than once in determining the prorations and payments under this Section (a). Sellers and Buyer shall be responsible for computing all such prorations in the manner hereafter set forth. If the aggregate amount of the credit due to Sellers exceeds the aggregate amount of credit due to Buyer, Buyer shall pay such amount in excess of the amount of the credit to Buyer with the payment of the Purchase Price.

(b) Hotel Adjustments and Prorations.

(i) Sellers shall receive and be entitled to all rents and all other revenues of any kind attributable to any period prior to the Cut-Off Time (or, in the case of any facility at the Hotel Property (an "**Operating Facility**") which closes after the Cut-Off Time, the time that such Operating Facility closes on the Closing Date), including, without limitation, all food service, bar, beverage and liquor revenues and charges, all revenues and charges from restaurant operations, spa operations, parking garage operations, hotel banquet and conference facility operations, revenues from recreational services and amenities, and other revenue of any kind attributable to any of the same. Buyer shall be entitled to all rents and all other revenues of any kind attributable to any period after the Cut-Off Time (or, in the case of any Operating Facility

which closes after the Cut-Off Time, after such time as such Operating Facility closes on the Closing Date), including, without limitation, all food service, bar, beverage and liquor revenues and charges, all revenues and charges from restaurant operations, spa operations, parking garage operations, hotel banquet and conference facility operations, all revenues from recreational services and amenities, and all other revenue of any kind attributable to any of the same.

(ii) Sellers shall receive and be entitled to all room and other revenues, charges and receivables from the hotel rooms at the Hotel Property, including without limitation telephone, laundry, valet, mini-bar and other charges and revenues otherwise arising from guests and customers of the Hotel (collectively, "**Hotel Room Revenues**") attributable to any period prior to the Cut-Off Time. Buyer shall receive and be entitled to all Hotel Room Revenues from and after the Cut-Off Time, provided, however, that revenues received or "posted" in the normal course after the time Sellers normally closes front desk activity for the "night" audit for the Cut-Off Time (the "**Front Desk Closing Hour**") shall belong to Buyer. The accounts receivable of registered guests at the Hotel Property who have not checked out and are occupying rooms as of the Cut-Off Time are collectively called the "**Current Ledger**"; Buyer shall be entitled to the portion of the Current Ledger that relates to the night preceding the Closing Date and all nights thereafter; Seller shall be entitled to the portion of the Current Ledger that relates to all nights preceding the night preceding the Closing Date, provided, however, notwithstanding anything to the contrary contained herein, Buyer shall be responsible for all housekeeping costs related to the Closing Day (including all costs of morning housekeeping). Consistent with the preceding sentence, following Closing (if and to the extent such amounts are actually received by Buyer), Buyer shall pay over to Sellers the Sellers' share of the proceeds of the Current Ledger attributable to each such guest's account for the period ending on the Cut-Off Time, less an amount equal to the actual credit card and travel agent commissions allocable to such share, which commissions shall be paid by Buyer out of such proceeds when and as collected. Sellers shall receive a credit at Closing in an amount equal to the face value of all petty cash funds in the hands of Sellers or Manager in connection with the hotel guest operations at the Hotel. As provided in Section 14(c), the Hotel FF&E reserve account and the Hotel's shared facilities (and shared component unit, if any) reserve account shall be transferred to Buyer at Closing and Sellers shall not receive a credit at Closing for the amount of such funds so transferred to Buyer at Closing.

(iii) Sellers shall retain all accounts receivable invoiced more than sixty (60) days prior to the Closing Date, and shall be entitled to collect the same. Buyer shall purchase at Closing, and Sellers shall receive a credit for, all accounts receivable invoiced not more than sixty (60) days prior to the Closing Date ("**Current Accounts Receivable**") at ninety-eight percent (98%) of the face value of such Current Accounts Receivable as of the Closing Date. After the Closing, Buyer shall be entitled to all collections of such Current Accounts Receivables. The terms of this Section (iii) shall survive the Closing (and shall not be merged therein).

(iv) At Closing, Sellers shall give Buyer a credit against the Purchase Price in the aggregate amount of any advance booking deposits actually received and

held by Sellers with respect to the Hotel Property pursuant to the terms of any reservations of rooms or banquet or other facilities. All advance booking deposits as of the Closing Date for the Hotel Property for which Buyer receives a credit shall be the obligation of Buyer after Closing. There shall be no post-Closing Date adjustment based on the amounts actually earned or refunded by Buyer with respect to or on account of advance bookings, regardless of whether Buyer's obligations with respect thereto shall be greater or less than the amount credited to Buyer pursuant to this Section (iv). With respect to the foregoing, Sellers shall provide Buyer with a list of all advance deposits received and held by Sellers and the details relating to each such deposit. Sellers shall receive a credit for all non-refundable commissions paid in connection with any advance deposits; Buyer shall reimburse Sellers for any commission paid by Sellers (which could otherwise have been refunded if the event did not occur) when the subject event has occurred.

(v) Sellers shall transfer to Buyer, and Buyer shall purchase from Sellers, at the cost of such supplies and consumables, all of the unopened reserve stocks of supplies and consumables consisting of food and beverage (including alcoholic and nonalcoholic) items to the extent permitted by applicable law. Sellers shall transfer to Buyer at no cost to Buyer or credit to Sellers, all of the opened reserve stocks of supplies and consumables consisting of food and beverage (including alcoholic and nonalcoholic) items, to the extent permitted by applicable law.

(vi) Sellers shall cause the applicable vending companies to service the vending machines at the Hotel Property on the morning of Closing. All commissions due to Seller from such vending companies based on the amount of vending proceeds as of the Cut-Off Time shall be paid to and belong to Seller.

(vii) To the extent that items (such as postage meter, marketing fees, advertising costs, fees for inclusion of the Hotel Property in travel agent reservation systems, travel guides or other items) have been paid prior to Closing for a period after Closing Date, and are or have been reflected as a deduction from Sellers' income, Sellers shall receive a credit from Buyer on the Closing Statement for the portion of such prepaid items that relate to periods following Closing.

(viii) For purposes of this Agreement, the term "**trade payables**" shall mean any open accounts payable to trade vendors or suppliers of the Hotel Property, restaurant, bar, spa or similar facilities at the Hotel Property selling goods, food, beverages or services to the general public for final use or consumption (*i.e.*, retail trade). Sellers agrees that they shall give a credit to Buyer at Closing for all trade payables from the Hotel Property for goods received at or services supplied to the Hotel Property on or prior to the Cut-Off Time. Buyer shall assume the obligation to pay such trade payables in the ordinary course after the Closing. In addition, Buyer agrees that it shall be charged with all trade payables from the Hotel Property for goods received at or services supplied to the Hotel Property after the Cut-Off Time and reasonably ordered by Sellers or Manager in the ordinary course of business prior to the Closing Date, and in any event for all such goods and services accepted by Buyer, and shall and hereby does indemnify and hold Sellers and Sellers' officers, directors, employees and agents harmless from

payment of the same, which indemnity shall survive the Closing (and shall not be merged therein).

(ix) All other costs and expenses incurred in connection with the ownership, operation, use or maintenance of the Assets (including without limitation, pursuant to the Rental Program Agreements and any assessments due and payable to the Associations) will be prorated between Sellers and Buyer as of the Cut-Off Time.

(x) Premiums on insurance policies will not be adjusted. As of the Closing Date, Sellers will terminate their blanket insurance policy and Buyer will obtain its own insurance coverage in compliance with the requirements for same under the Condominium Documents.

(c) Taxes. Real and personal property taxes shall be prorated on the basis of the then current year's taxes, if known, or if the current year's taxes are not yet available, on the basis of the prior year's taxes (and assuming the full available discount has been obtained) subject to adjustment and reconciliation post-Closing to reflect the actual taxes for the current year when such actual taxes can be finally determined. Buyer acknowledges that Sellers shall have the right in their sole discretion to pursue real estate tax appeals relating to periods prior to the Closing and to retain all tax rebates resulting from such appeals relating to periods prior to Closing. Buyer covenants and agrees not to interfere with any of such tax appeals by Sellers and not to take any positions with taxation authorities adverse to Sellers' interest in such appeals. If any real property tax assessments affecting the Real Property or any portion thereof are or may become payable in installments, of which the first installment is, as of the Effective Date, a charge or lien or has been paid, then Sellers shall be obligated to pay all installments of any such assessments which are due and payable prior to the Closing Date and Buyer shall assume all unpaid installments of any such assessment which are to become due and payable on or after the Closing Date. If subsequent to the Effective Date, the Real Property or any portion thereof shall become affected by a real property tax assessment, the payment thereof shall be assumed by Buyer without abatement of the Purchase Price and in the event any such assessment, whether payable in lump sum or in installments, is due and payable prior to the Closing, and has been paid by Sellers, Buyer shall reimburse Sellers for same at the Closing.

(d) Post-Closing Adjustments. No later than thirty (30) Business Days following the Closing, Buyer and Sellers shall recalculate the prorations set forth in Section 11(a)-(c) above to account for the incomplete information available prior to the Cut-Off Time and appropriate adjusting payments shall be made within five (5) days after such recalculation. Except as otherwise provided in any other provision of Section 11, no later than ninety (90) days following the Closing, Buyer shall prepare and present to Sellers a recalculation of any and all amounts due or subject to proration under Section 11 to correct any errors or make changes necessary because of the lack of complete or accurate information as of the Closing Date, including, without limitation, information related to actual inventories, actual utility costs, and actual management fees. Such recalculation shall include supporting documentation therefor. The Parties shall make the appropriate adjusting payment between them within thirty (30) days after delivery of any such recalculation. If there is a dispute among the Parties regarding the recomputation of the apportionment of any Prorated Items and the Parties are unable to resolve such dispute after good faith efforts to do so, then the Parties shall retain an

independent accountant reasonably acceptable to each of the Parties (the cost of which shall be borne one-half by the Sellers and one-half by the Buyer) to recompute any such apportionment which is in dispute. The foregoing obligation to reapportion estimated Prorated Items shall survive the Closing.

13. **Representations & Warranties of Buyer.**

(a) In order to induce Sellers to enter into this Agreement and to consummate the transactions contemplated herein, Buyer represents and warrants to, and covenants with, Sellers as follows:

(i) Good Standing. Buyer is a corporation organized and validly existing and in good standing under the laws of the State of Delaware and is qualified to do business in the State of Florida.

(ii) Due Authorization; Binding Obligation. The execution, delivery and performance of this Agreement, and the consummation of the transactions contemplated hereby, have been duly and validly authorized by all requisite corporate actions of Buyer (none of which actions have been modified or rescinded, and all of which actions are and will be at Closing in full force and effect). This Agreement

constitutes a valid and binding obligation of Buyer, enforceable against Buyer in accordance with its terms.

(iii) Execution and Delivery. The execution, delivery and performance of this Agreement by Buyer, and the consummation by Buyer of the transactions contemplated hereby, will not (a) violate or conflict with any law or any order of any court or Governmental Authority applicable to Buyer or any provisions of the organizational documents of Buyer; (b) result in a breach or default under any contract, agreement or instrument to which Buyer is a party or by which Buyer or any of its properties or assets are bound; or (c) acquire any consent or approval or vote of any court or Governmental Authority or of any person or entity that, as of the Closing Date, has not been taken or given and does not remain effective.

(iv) Litigation. There are no actions, suits, arbitrations, proceedings, governmental investigations or other proceedings that are pending against Buyer that adversely affect Buyer's ability to enter into or perform this Agreement.

(v) Prohibited Transaction. To Buyer's knowledge, neither Buyer, nor any member, partner or shareholder of Buyer, nor any person or entity with actual authority to direct the actions of any member, partner or shareholder of Buyer, nor, to Buyer's knowledge, any other person or entity holding any legal or beneficial interest whatsoever in Buyer, (i) are named on any list of persons and governments issued by OFAC pursuant to Executive Order 13224, as in effect on the Effective Date, or any OFAC Lists, (ii) are included in, owned by, controlled by, knowing acting for or on behalf of, knowingly providing assistance, support, sponsorship, or services of any kind to, or otherwise knowingly associated with any of the persons referred to or described in the OFAC Lists, or (iii) has knowingly conducted business with or knowingly engaged in any transaction with any person named on any of the OFAC Lists or any person included in, owned by, controlled by, acting for or on behalf of, providing assistance, support, sponsorship, or services of any kind to, or, to Buyer's knowledge, otherwise associated with any of the persons referred to or described in the OFAC Lists.

(vi) WARN Act. Buyer acknowledges that all employees are employees of Manager. If the WARN Act is applicable, Buyer shall offer employment to a sufficient number of the employees of Manager on such terms and conditions so that Manager is not required to provide notice of a "plant closing" or "mass layoff" to any person or entity under the Worker Adjustment and Retraining Notification Act of 1988, 29 U.S.C. § 2101 et seq. or any other similar federal, state or local law or regulation (the "**WARN Act**") as a result of the termination of employment of the employees by Manager as of the Closing, and Buyer agrees not to terminate or permit its manager to terminate any such hired employees who accept such employment for a period of ninety (90) calendar days after Closing, or to take any other action, which will cause the application of the WARN Act. If the WARN Act is applicable, on or following the Closing, Buyer shall comply with all provisions of the WARN Act with respect to all employees to the extent failure to do so would impose liability on Sellers. The foregoing covenants shall survive Closing.

(b) The representations and warranties of Buyer set forth in Section 13(a) shall be true, accurate and correct in all material respects upon the execution of this Agreement and shall be deemed to be repeated on and as of the Closing Date (except as they relate only to an earlier date) and shall survive the Closing and the execution and delivery of the Deeds.

14. Operation of Assets Prior to and After Closing.

(a) Operations. Until the Closing Date, Sellers intend to continue to operate and maintain the Assets in a reasonably prudent fashion and in accordance with past practices. Notwithstanding the foregoing, Buyer understands that Sellers' ability to continue to operate and maintain the Assets in accordance with past practices may be affected by the Bankruptcy Case, and in such event, Sellers shall not be deemed in violation of the foregoing covenant. From and after the Effective Date, Sellers shall not enter into any Leases and Contracts or Rental Program Agreements, nor consent to the Manager entering into any Leases and Contracts or Rental Program Agreements on Sellers' behalf (to the extent that Sellers' consent thereto is otherwise required under the terms of the Management Agreement), without the prior written consent of Buyer, such consent not to be unreasonably withheld; provided, however, that Buyer's consent shall not be required in connection with any Lease and Contract and/or Rental Program Agreement which is a renewal of an existing Lease and Contract and/or Rental Program Agreement, or if the Sellers, or any of them, as applicable, (i) have no right to consent to the entering into of any such Lease and Contract and/or Rental Program Agreement by Manager either directly or on behalf of a Seller, or (ii) cannot unreasonably withhold their consent to the entering into of any such Lease and Contract and/or Rental Program Agreement by Manager. Buyer shall acquire the Assets subject to any Assumed Leases and Contracts and Rental Program Agreements entered into prior to the Closing Date in accordance with this Section 14. In no event shall Buyer be liable for any obligations arising under any Excluded Leases and Contracts. If Sellers shall modify, extend, or renew any Lease and Contract and/or Rental Program Agreement or enter into any new Lease and Contract and/or Rental Program Agreement for which Buyer's approval is not required under this paragraph, Sellers shall promptly provide to Buyer a copy of same.

(b) Sellers' Rights of First Refusal. Buyer acknowledges that under the Condominium Documents Sellers have certain rights of first refusal to purchase units in the Condominium Project, and agrees that Sellers may exercise or decline to exercise such rights of first refusal in Sellers' sole and absolute discretion; provided, however, that Sellers hereby irrevocably waive any rights of first refusal, rights of first offer and similar rights they may have with respect to the Real Property, or any portion thereof, to be conveyed to Buyer hereunder. The foregoing obligation shall survive the Closing (and shall not be merged therein).

(c) Reserve Accounts. At Closing, Sellers shall assign to Buyer and Buyer shall receive without a credit to Sellers the Hotel FF&E reserve account and the Hotel's shared facility (and shared component, if any) reserve account, any security deposits and any other reserves and deposits held by Seller. Notwithstanding anything herein to the contrary, from the Effective Date through the Closing Sellers shall fund the amounts, if any, then currently required to be funded into the Hotel FF&E reserve account and the Hotel's portion of the shared facility reserve account (and shared component unit reserve account, if funded pursuant to the applicable budget), provided, however, that Sellers shall have no obligation whatsoever to fund the

deficiency currently existing in any of such reserve accounts or to fund any current or future deficiency on behalf of any of the Condominium Unit Owners in the Condominium Project.

(d) Bookings and Reservations. Sellers shall cause Manager to continue to take all bookings and reservations for room rentals at the Hotel Property and for the use of other facilities at the Hotel Property for periods subsequent to the Effective Date, provided such bookings and reservations are upon substantially the same terms and rates which Manager would require and charge in the normal and customary operation of the Hotel Property. Buyer shall honor all reservations for the Hotel Property, or for any related conference, banquet, or meeting space or any recreational facilities in connection with the Hotel Property, that are made by Sellers or Manager on or prior to the date hereof which pertain to periods on or after the Closing Date, provided that the party that made the reservation complies with its obligations with respect to such reservation. The foregoing obligation shall survive the Closing (and shall not be merged therein).

(e) Guest Baggage. Any baggage or other property of departed guests held by Manager on behalf of Sellers at the Hotel Property shall be inventoried, sealed and tagged jointly by Manager and Buyer promptly after the Closing and may be left at the Property for a period not to exceed ninety (90) days following the Closing Date. After such period, all such baggage or property will be deemed abandoned by Sellers and Buyer shall dispose of such baggage in any manner deemed appropriate by Buyer. Buyer hereby indemnifies Sellers against all claims, losses and liabilities in connection with the holding such baggage or other property for such period and Buyer's disposal of baggage abandoned by Sellers. All baggage of guests who are still guests of the Hotel Property on the Closing Date which has been checked with or left in the care of Sellers shall be inventoried, sealed and tagged jointly by Manager and Buyer promptly after the Closing. Buyer hereby agrees to indemnify Sellers against all claims, losses or liabilities with respect to such baggage arising out of the acts or omissions of Buyer after the Closing. The foregoing obligation shall survive the Closing (and shall not be merged therein).

(f) Safe Deposits. Not earlier than three (3) Business Days prior to Closing, Sellers shall cause Manager to notify Hotel guests or other persons who have safe deposit boxes (other than in-room safes), if any, advising them of the sale of the Property to Buyer, and requesting verification or removal of the contents prior to the Closing Date. Sellers may, at their option, require such persons to execute new safe deposit agreements, in a form reasonably acceptable to Buyer and identifying Buyer as the owner of the Property, which shall be effective as of the Cut-Off Time. The safe deposit boxes of persons not responding to said notification shall be opened only in the presence of representatives of both Sellers and Buyer. The contents of all boxes opened as aforesaid shall be listed at the time such boxes are opened, each such list shall be signed by or on behalf of Sellers and Buyer, and Buyer shall not be liable or responsible for any items claimed to have been in said boxes unless such items are included in such list. Buyer agrees to indemnify and hold harmless Sellers from and against any liability or responsibility for items claimed to have been in said boxes and included on such list. The foregoing obligation shall survive the Closing (and shall not be merged therein).

(g) Construction.

(i) Buyer and Collins North Owner have approved a construction contract with EBL Partners, LLC ("EBL") in substantially the same form as attached hereto as Exhibit P (the "Construction Contract"). Buyer and Collins North Owner acknowledge that the Construction Contract has not yet been approved by EBL. Subject to EBL's approval of the Construction Contract, Collins North Owner shall execute the Construction Contract after the Sale Order has been entered and prior to Closing. If EBL does not approve the Construction Contract, Collins North Owner and Buyer acting reasonably jointly shall select another general contractor (EBL or such other approved general contractor being "General Contractor").

(ii) In addition, prior to entering into the Construction Contract:

(A) Collins North Owner shall retain NV5 to conduct a Sounding Survey and to determine the full scope of the stucco remediation work to be completed on the North Tower Condominium (the "Work");

(B) NV5 shall develop bidding drawings and specifications necessary to complete the Work and to be disseminated to two (2) or more bidding sub-contractors; and

(C) the bids shall be compared on a line-by-line basis and both the Collins North Owner and the Buyer shall mutually and reasonably agree upon the sub-contractor.

(iii) The parties agree that NV5 or another qualified architectural or engineering firm that is jointly selected by Collins North Owner and Buyer acting reasonably (NV5 or such other approved architectural or engineering firm being "Engineer") shall serve as the designated architect/engineer for the administration of the Construction Contract following approval by both Buyer and Collins North Owner on the scope and estimate of the cost for the administration of the Construction Contract by Engineer.

(iv) The parties agree that Collins North Owner's obligation to pay for the Work, including, without limitation, amounts payable to the Engineer, the accepted bid and any amounts payable to General Contractor (which shall be limited to a maximum of 10% of all charges made by General Contractor, which shall include, but shall not be limited to, all charges for General Contractor's mobilization, general conditions, profit and overhead) and any sub-contractors (collectively, the "Accepted Bid Fees"), shall not exceed \$3,000,000.00 (the "Seller Construction Cap"). If the cost of the Work, including, without limitation, the Accepted Bid Fees, shall exceed the Seller Construction Cap, Buyer shall pay for all amounts over the Seller Construction Cap.

(v) At Closing, if the Work has not been completed, (A) (1) Buyer shall receive a credit against the Purchase Price in an amount equal to 100% of the unpaid amount under the Construction Contract subject to the Seller Construction Cap, (2) Collins North Owner and Buyer shall cooperate and use commercially reasonable efforts

to insure that the General Contractor completes the Work prior to and, to the extent required, subsequent to Closing, (3) Buyer shall take primary responsibility for the supervision of the Work from and after Closing, and (4) Collins North Owner shall assign to Buyer, and Buyer shall assume, the Construction Contract pursuant to the Assignment and Assumption Agreement, and Buyer shall use commercially reasonable efforts to complete and deliver any applications and take such other actions as may be required as a condition to the assignment of the Construction Contract, and (B) in the event Buyer delivers to Collins North Owner from time to time after Closing notice of any change orders to the Construction Contract that are recommended as necessary by Engineer and/or any sub-contractors and approved by Buyer, then Collins North Owner shall pay to Buyer for the net increase, if any, in the cost due to General Contractor and any sub-contractors for the Work within five (5) Business Days after receipt of such notice so long as the payments under this subsection (E) plus the amounts previously paid by Collins North Owner under the Construction Contract do not exceed in the aggregate the Seller Construction Cap (the "Reimbursement"). Collins North Owner shall cause Guarantor to execute the Joinder of Guarantor attached to this Agreement for the sole purpose of evidencing Guarantor's agreement to pay the Reimbursement. If the Work is completed prior to Closing, to the extent assignable, Collins North Owner will assign any warranties obtained for such Work to Buyer. The parties further agree that if any portion of the Work may be payable from proceeds of Collins North Owner's Owner Controlled Insurance Program, then such funds shall be applied to the cost of such Work as a credit to Collins North Owner's obligation hereunder.

(vi) The provisions of this Section shall survive the Closing.

15. **Default.** In the event of a Default hereunder by Sellers (or any of them), Buyer shall have the right, as its sole and exclusive remedy hereunder, either (a) to terminate this Agreement by written notice to Sellers and to receive a refund of the Deposit paid by Buyer under this Agreement; or (b) to institute an action for specific performance against Sellers. As a condition precedent to Buyer exercising any right it may have to bring an action for specific performance as the result of Sellers' Default hereunder, Buyer must commence such an action within ninety (90) days after the occurrence of such Default. Buyer agrees that its failure to timely commence such an action for specific performance within such ninety (90) day period shall be deemed a waiver by it of its right to commence such an action. If Buyer elects to terminate this Agreement, then Buyer, as its sole remedies, shall be entitled to receive a refund of the Deposit paid by Buyer under this Agreement. Buyer agrees that the foregoing remedies shall be the sole and exclusive remedies available to Buyer in the event of a Default by Sellers and Buyer hereby waives any and all other rights, in equity or at law, which it might otherwise have against Sellers (including, without limitation, the right to any consequential or other damages) in connection with any such Default. In the event of a Default hereunder by Buyer, Sellers shall have the right to terminate this Agreement by written notice to Buyer and to retain, as liquidated damages, the Deposit, it being agreed that Sellers' damages are impossible to ascertain. Upon any such termination of this Agreement, the Parties shall be relieved of any further obligations hereunder except those obligations which are expressly stated to survive the termination of this Agreement. Except as set forth in this Section 14(g)(i), Sellers hereby expressly waive, relinquish and release any other right or remedy available to them at law, in equity or otherwise

by reason of Buyer's Default hereunder or Buyer's failure or refusal to perform its obligations hereunder.

16. **Purchase of Assets As-Is.**

(a) Buyer acknowledges that Sellers acquired their interest in the Real Property and other Assets through foreclosure, deed-in-lieu of foreclosure or other arrangement involving the prior owner of the Real Property and an affiliate of Sellers which held a mortgage, deed of trust or other security interest encumbering the Real Property to secure an indebtedness owed by such prior owner to such affiliate. Buyer further acknowledges that, due to the circumstances surrounding Sellers' acquisition of the Real Property, such acquisition was subject to such facts, circumstances, defects and problems which existed with respect to the Real Property at the time of such acquisition and for which Seller is not responsible. Accordingly, Buyer agrees to accept the Assets, subject to any facts, circumstances, defects and problems that may exist, on an "**AS IS WHERE IS AND WITH ALL FAULTS**" basis and Buyer is not relying on any representations or warranties of Sellers or any other Person with respect to the Assets except those expressly set forth in this Agreement and in any estoppel, certificate or affidavit delivered by Sellers to Buyer at or prior to Closing. This Agreement, as written, contains all the terms of the agreement entered into among the Parties as of the Effective Date, and Buyer acknowledges that neither Sellers nor any of their respective Affiliates, nor any of the respective agents or representatives thereof, have made any representations or held out any inducements to Buyer, and Sellers hereby specifically disclaim any representation, oral or written, past, present or future, other than those specifically set forth in Section 12 hereof. Without limiting the generality of the foregoing, Buyer has not relied on any representations or warranties, and neither Sellers nor any of their respective Affiliates, nor any of the respective agents or representatives thereof, have or are willing to make any representations or warranties, express or implied, other than as may be expressly set forth herein, as to: (i) the status of title to the Real Property; (ii) the Licenses; (iii) the Intellectual Property; (iv) the Rental Program Agreements; (v) the Condominium Documents; (vi) the current or future real estate tax liability, assessment or valuation of the Real Property; (vii) the potential qualification of the Real Property for any and all benefits conferred by any Laws whether for subsidies, special real estate tax treatment, insurance, mortgages or any other benefits, whether similar or dissimilar to those enumerated; (viii) the compliance of the Real Property in its current or any future state with applicable Laws or any violations thereof, including, without limitation, those relating to access for the handicapped, environmental or zoning matters, and the ability to obtain a change in the zoning or a variance in respect to the Real Property's non-compliance, if any, with zoning Laws; (ix) the nature and extent of any right of way, lease, possession, Lien, license, reservation, condition or otherwise; (x) the availability of any financing for the purchase, alteration, rehabilitation or operation of the Real Property from any source, including, without limitation, any Government Authority or any lender; (xi) the current or future use of the Real Property, including, without limitation, the use thereof for commercial, manufacturing or general office purposes; (xii) the present and future condition and operating state of any FF&E and Inventory or other Personal Property and the present or future structural and physical condition of any buildings, structures or other improvements comprising any portion of the Real Property, their suitability for rehabilitation or renovation, or the need for expenditures for capital improvements, repairs or replacements thereto; (xiii) the viability or financial condition of the Manager, Condominium Unit Owner, the Associations or any tenant; (xiv) the status of the hotel industry

in the market in which the Real Property is located; (xv) the Management Agreement; (xvii) the Construction Contract and the Work; (xviii) the Leases and Contracts; or (xiv) the actual or projected income or operating expenses of the Real Property or any of the other Assets.

(b) Buyer acknowledges that prior to the Effective Date, Sellers have made available to Buyer, in an offering memorandum and in a due diligence website or data room (the “**Data Room**”), certain information with respect to the Assets, including, without limitation, financial statements, projections and analyses, environmental reports, information regarding the South Tower Litigation and the North Tower Litigation, and the Management Agreement (collectively, the “**Property Information**”), and Buyer has been afforded an opportunity to review the Property Information and to investigate, examine and inspect the Assets. Buyer acknowledges and agrees that (i) the Property Information delivered or made available to Buyer and its representatives by Sellers or their respective Affiliates, or any of the agents or representatives thereof, may have been prepared by third parties and may not be the work product of Sellers and/or any of their respective Affiliates; (ii) neither Sellers nor any of their respective Affiliates has made any independent investigation or verification of, or has any knowledge of, the accuracy or completeness of, the Property Information; (iii) the Property Information delivered or made available to Buyer and to Buyer’s Representatives is furnished to them at the request, and for the convenience of, Buyer; (iv) except as may be expressly set forth herein, Buyer is relying solely on its own investigations, examinations and Inspections of the Real Property and the other Assets and those of Buyer’s Representatives and is not relying in any way on the Property Information furnished by Sellers or any of their respective Affiliates, or any of the respective agents or representatives thereof; (v) except as may be expressly set forth herein, Sellers expressly disclaim any representations or warranties with respect to the accuracy or completeness of the Property Information and Buyer releases Sellers and their respective Affiliates, and the respective agents and representatives thereof, from any and all liability with respect thereto; (vi) any further distribution of the Property Information is subject to Section 20 hereof; and (vii) certain proprietary information of Manager has not been provided to Buyer because such information is subject to a confidentiality agreement.

(c) Buyer or anyone claiming by, through or under Buyer, hereby fully and irrevocably releases Sellers and their respective Affiliates, and the respective agents and representatives thereof, from any and all claims that Buyer may now have or hereafter acquire against Sellers (or any of them) or any of their respective Affiliates, or any of the respective agents or representatives thereof for any cost, loss, liability, damage, expense, action or cause of action, whether foreseen or unforeseen, arising from or related to any construction defects, errors or omissions on or in the Assets, the presence of environmentally hazardous, toxic or dangerous substances, or any other conditions (whether patent, latent or otherwise) affecting the Assets. Buyer further acknowledges and agrees that this release shall be given full force and effect according to each of its expressed terms and provisions, including, but not limited to, those relating to unknown and suspected claims, damages and causes of action. As a material covenant and condition of this Agreement, Buyer agrees that in the event of any such construction defects, errors or omissions, the presence of environmentally hazardous, toxic or dangerous substances, or any other conditions affecting the Assets, Buyer shall look solely to any contractors or other third parties which may otherwise be liable with respect to any of the foregoing for any redress or relief. Except as expressly provided herein, to the fullest extent permitted by law, Buyer hereby waives any and all rights and benefits which it now has, or in the

future may have, conferred upon it by virtue of any applicable state, federal, or local law, rule, or regulation as a result of any alleged inaccuracy or incompleteness of the information or the purchase of the Assets, including any environmental law, rule, or regulation whether federal, state or local, including, without limitation, the Comprehensive Environmental Response, Compensation and Liability Act of 1980 (42 U.S.C. §§9601 et seq.) as amended by the Superfund Amendments and Reauthorization Act of 1986, and any analogous federal or state laws.

(d) Buyer's election to execute this Agreement shall be deemed an acknowledgment by Buyer that Buyer has inspected the Assets, is thoroughly acquainted with and accepts their condition, and has reviewed, to the extent necessary in its discretion, all the Property Information. Sellers shall not be liable or bound in any manner by any oral or written "setups" or information pertaining to the Assets furnished by Sellers, any of their respective Affiliates or any of the respective agents or representatives thereof, any real estate broker or other Person.

(e) The provisions of this Section 16 shall survive the termination of this Agreement and the Closing.

17. **Brokerage.** Sellers represent and warrant to Buyer that Sellers have not contacted, negotiated with or entered into any agreement with any real estate broker, agent, finder, or any party in connection with this Agreement and the transaction contemplated herein except for CBRE ("**Broker**"), whose fee shall be paid entirely by Sellers pursuant to a separate written agreement between Sellers and Broker. Buyer hereby represents and warrants to Sellers that Buyer has not contacted, negotiated with or entered into any agreement with any real estate broker, agent, finder, or any party in connection with this Agreement and the transaction contemplated herein. Each party shall indemnify and hold the other party harmless from any claim, demand, cause of action, loss, liability, damage, cost, or expense (including, without limitation, reasonable attorneys' fees) paid or incurred by the other party by reason of a breach of the representation and warranty made by such party under this Section 17. Notwithstanding anything to the contrary contained in this Agreement, the indemnities set forth in this Section 17 shall survive the Closing or earlier termination of this Agreement.

18. **Notices.** All notices, elections, consents, approvals, demands, objections, requests or other communications hereunder shall be in writing and transmitted to the Parties and to the Escrow Agent as follows:

unless the address is changed by the Party by like notice given to the other Parties and/or Escrow Agent. Notice shall be in writing, mailed certified mail, return receipt requested, postage prepaid and shall be deemed delivered three (3) Business Days after mailing or upon delivery to the addresses indicated by a nationally or internationally recognized firm of overnight couriers. Notwithstanding the foregoing notice, requests or demands or other communications referred to in this Agreement may be sent by confirmed email, but shall be deemed to have been given only when received by such means.

19. **Assignability.** This Agreement may not be assigned by Buyer in whole or in part and any assignment or attempted assignment by Buyer shall constitute a Default by Buyer hereunder and shall be null and void. For the purposes of this Section 19, any transfer prior to the Closing shall be deemed to be an assignment and prohibited by the terms of this Section 19. No assignment of this Agreement by Buyer shall relieve the original Buyer from any of its obligations, liabilities or responsibilities under this Agreement. Notwithstanding the foregoing, Buyer may assign this Agreement without the consent of Sellers to one or more entities controlled by Dundee Corporation, so long as Buyer notifies Sellers of such assignment or designation at least five (5) Business Days prior to the Closing Date; provided, however, that Buyer may not assign this Agreement to any Affiliate in which Condominium Unit Owners hold any ownership or other interest. In the event of any such permitted assignment, and provided the assignee(s) has assumed in writing the obligations of Buyer under this Agreement, Sellers and the assignee(s) shall proceed under the terms and conditions hereof. Buyer shall not be released of liability under this Agreement by reason of any assignment of this Agreement.

20. **Property Information and Confidentiality.**

(a) Buyer agrees that, prior to the Closing, all Property Information shall be kept strictly confidential and shall not, without the prior consent of Sellers, be disclosed by Buyer or Buyer's Representatives, in any manner whatsoever, in whole or in part, to any Person other than Buyer's accountants, legal advisors and other professionals and to Buyer's current and/or prospective lenders and investors (collectively, "**Permitted Disclosure Parties**"), and will not be used by Buyer or Buyer's Representatives, directly or indirectly, for any purpose whatsoever other than evaluating the Assets and seeking to complete the Closing. Moreover, Buyer agrees that, prior to the Closing, the Property Information will be transmitted only to Buyer's Representatives and to those other Permitted Disclosure Parties who need to know the Property Information for the purpose of evaluating the Assets, and who are informed by the

Buyer of the confidential nature of the Property Information and who agree to be bound by the terms of this Section 20 and Section 16(c). Prior to the delivery or disclosure of any Property Information to Buyer's Representatives (other than Buyer's professionals or lender) at any time prior to Closing, Buyer agrees to notify Sellers as to their identity and to furnish Sellers with their written assumption and adoption of the terms of this Section 20 and Section 16(c), all in a form reasonably acceptable to Sellers. The provisions of this Section 20(a) shall in no event apply to Property Information which is a matter of public record and shall not prevent Buyer from complying with Laws or the Bankruptcy Court, including, without limitation, governmental regulatory, disclosure, tax and reporting requirements. Notwithstanding the foregoing, in addition to the restrictions and conditions set forth above with respect to the Property Information, Buyer shall also comply with the terms, restrictions and conditions relating to the use, dissemination and/or confidentiality of the Property Information as may be provided for in the Management Agreement.

(b) Except in connection with filing the Sale Motion, Buyer and Sellers, for the benefit of each other, hereby agree that between the Effective Date and the Closing Date, they will not release or cause or permit to be released any press notices, publicity (oral or written) or advertising promotion relating to, or otherwise announce or disclose or cause or permit to be announced or disclosed, in any manner whatsoever, the terms, conditions or substance of this Agreement or the transactions contemplated herein, without first obtaining the written consent of the other Party hereto. It is understood that the foregoing shall not preclude the Party from discussing the substance or any relevant details of the transactions contemplated in this Agreement, subject to the terms of Section 20(a), with any of its attorneys, accountants, professional consultants or potential lenders, as the case may be, or prevent the Parties from complying with Laws or the Bankruptcy Court, including, without limitation, governmental regulatory, disclosure, tax and reporting requirements.

(c) Buyer shall indemnify and hold Sellers and Sellers' Affiliates harmless from and against any and all claims, demands, causes of action, losses, damages, liabilities, costs and expenses (including, without limitation, reasonable attorneys' fees and disbursements) suffered or incurred by Sellers or any of Seller's Affiliates and arising out of or in connection with a breach by Buyer or Buyer's Affiliates of the provisions of this Section 20.

(d) In the event this Agreement is terminated, Buyer and Buyer's Representatives shall promptly deliver to Sellers all originals and copies of the Property Information in the possession of Buyer and Buyer's Representatives and, regardless of whether or not Buyer has done so, shall not be permitted to use any of the Property Information for any purpose thereafter. Notwithstanding anything to the contrary contained herein, if Buyer is entitled to a return of the Deposit pursuant to the terms of this Agreement, a Default by Buyer solely under this Section 20 shall not preclude the return of the Deposit to Buyer.

(e) Reference is hereby made to that certain Confidentiality Agreement, Canyon Ranch Hotel & Golden Sands Development Site, made by Marcos Casillas ("**Confidentiality Party**") on August 19, 2013 in favor of FL GS Collins Avenue LLC and FL 6801 Spirits LLC on behalf of itself and its subsidiaries, the Sellers (the "**Confidentiality Agreement**"). The Parties agree that with regard to the Assets to be conveyed hereunder, if the Confidentiality Agreement is in any respect more restrictive against Confidentiality Party than

the provisions of this Section 20, the provisions of this Section 20 shall apply. Confidentiality Party has joined in this Agreement solely for the purpose of agreeing to be bound by the provisions of this Section 20.

(f) The provisions of this Section 20 shall survive the Closing or the termination of this Agreement for a period of one year.

21. **Condominium Units Disclosures.**

(a) Buyer acknowledges receipt of the Condominium Documents and all other documents required by Section 718.503, Florida Statutes, to be furnished by a developer to a buyer, on or before the date of this Agreement. Executed copies of the Receipts for Condominium Documents, as to the Condominium Units, are attached hereto as Exhibits I-1, I-2 and I-3, and incorporated herein by this reference.

(i) The Units identified on Schedule 4 attached hereto have been previously used by Sellers for general office purposes in connection with Sellers' ownership and sales of Condominium Units.

(ii) Pursuant to Section 501.1375, Florida Statutes, Buyer is provided with the following notice:

THE BUYER OF A ONE-FAMILY OR TWO-FAMILY RESIDENTIAL DWELLING UNIT HAS THE RIGHT TO HAVE ALL DEPOSIT FUNDS (UP TO 10 PERCENT OF THE PURCHASE PRICE) DEPOSITED IN AN ESCROW ACCOUNT. THIS RIGHT MAY BE WAIVED IN WRITING, BY THE BUYER.

Buyer hereby acknowledges and agrees that the foregoing notice has been provided by Sellers in the event same is applicable to the subject transaction and that the provisions shall be null and void if the provisions of Section 501.1375, Florida Statutes, are in fact not applicable to this transaction.

(iii) Insulation; Energy Efficiency. Sellers have advised Buyer, as required by the rules of the Federal Trade Commission, that the following insulation is installed in connection with the Condominium Units: (a) insulation on the exterior walls, having an R-Value of R-5 and varying thickness; and (b) insulation on the roof, having an average R-Value of R-19 and varying thickness. This R-value information is based solely on the information given by the appropriate manufacturers and Buyer agrees that Sellers are not responsible for the manufacturers' errors. To the extent required by applicable Law, Buyer may have the Condominium Project building's energy efficiency rating determined; provided, however, that this Agreement is not contingent upon Buyer having the rating determined or approving the rating. Buyer acknowledges receipt of the Department of Community Affairs' brochure regarding energy efficiency ratings, a copy of which is attached hereto as Exhibit L and incorporated herein by this reference.

(iv) Buyer's right to cancel under Section 718.503, Florida Statutes applies only to the North Tower Condominium Units, the South Tower Condominium Units and the Central Tower Condominium Units.

THIS AGREEMENT IS VOIDABLE BY BUYER BY DELIVERING WRITTEN NOTICE OF THE BUYER'S INTENTION TO CANCEL WITHIN FIFTEEN (15) DAYS AFTER THE EFFECTIVE DATE, AND RECEIPT BY BUYER OF ALL OF THE ITEMS REQUIRED TO BE DELIVERED TO BUYER BY THE DEVELOPER UNDER SECTION 718.503 OF THE FLORIDA CONDOMINIUM ACT (THE "CONDO DELIVERABLES"). BUYER HEREBY ACKNOWLEDGES THAT BUYER HAS RECEIVED THE CONDO DELIVERABLES. THIS AGREEMENT IS ALSO VOIDABLE BY BUYER BY DELIVERING WRITTEN NOTICE OF THE BUYER'S INTENTION TO CANCEL WITHIN FIFTEEN (15) DAYS AFTER THE DATE OF RECEIPT FROM THE DEVELOPER OF ANY AMENDMENT WHICH MATERIALLY ALTERS OR MODIFIES THE OFFERING IN A MANNER THAT IS ADVERSE TO THE BUYER. ANY PURPORTED WAIVER OF THESE VOIDABILITY RIGHTS SHALL BE OF NO EFFECT. BUYER MAY EXTEND THE TIME FOR CLOSING FOR A PERIOD OF NOT MORE THAN FIFTEEN (15) DAYS AFTER THE BUYER HAS RECEIVED ALL OF THE ITEMS REQUIRED. BUYER'S RIGHT TO VOID THIS AGREEMENT SHALL TERMINATE AT CLOSING. FIGURES CONTAINED IN ANY BUDGET DELIVERED TO THE BUYER PREPARED IN ACCORDANCE WITH THE CONDOMINIUM ACT ARE ESTIMATES ONLY AND REPRESENT AN APPROXIMATION OF FUTURE EXPENSES BASED ON FACTS AND CIRCUMSTANCES EXISTING AT THE TIME OF THE PREPARATION OF THE BUDGET BY THE DEVELOPER. ACTUAL COSTS OF SUCH ITEMS MAY EXCEED THE ESTIMATED COSTS. SUCH CHANGES IN COST DO NOT CONSTITUTE MATERIAL ADVERSE CHANGES IN THE OFFERING.

If Buyer does not cancel this Agreement during this 15-day period, it means that Buyer ratifies this Agreement and the Condominium Documents and Buyer agrees that their provisions are fair and reasonable in Buyer's opinion.

(v) **Substantial Completion.** The Condominium Units are substantially complete and ready for immediate occupancy.

(vi) Buyer understands and agrees that because the Associations are on-going entities, the budgets of, and assessments payable to, the Associations may increase (based upon actual operating expenses and projections thereof), both before and after the closing under this Agreement.

(vii) **The Associations.** This Agreement is also Buyer's application for membership in the Associations, which memberships shall automatically take effect at Closing. At that time, Buyer agrees to accept all of the liabilities and obligations of membership.

(viii) **Additional Disclosures.** Buyer is hereby advised as follows:

(A) **RADON GAS:** Radon is a naturally occurring radioactive gas that, when it has accumulated in a building in sufficient quantities, may present health risks to persons who are exposed to it over time. Levels of radon that exceed federal and state guidelines have been found in buildings in Florida.

Additional information regarding radon and radon testing may be obtained from your county health department. The foregoing notice is provided in order to comply with state law and is for informational purposes only. Sellers do not conduct radon testing with respect to the Condominium Units or the Condominium Project, and specifically disclaim any and all representations or warranties as to the absence of radon gas or radon producing conditions in connection with the Condominium Project.

(B) ANY CLAIMS FOR CONSTRUCTION DEFECTS ARE SUBJECT TO THE NOTICE AND CURE PROVISIONS OF CHAPTER 558, FLORIDA STATUTES.

(C) BUYER SHOULD NOT RELY ON THE SELLERS' CURRENT PROPERTY TAXES AS THE AMOUNT OF PROPERTY TAXES THAT THE BUYER MAY BE OBLIGATED TO PAY IN THE YEAR SUBSEQUENT TO PURCHASE. A CHANGE OF OWNERSHIP OR PROPERTY IMPROVEMENTS TRIGGERS REASSESSMENTS OF THE REAL PROPERTY THAT COULD RESULT IN HIGHER PROPERTY TAXES. IF YOU HAVE ANY QUESTIONS CONCERNING VALUATION, CONTACT THE COUNTY PROPERTY APPRAISER'S OFFICE FOR INFORMATION.

(D) FIGURES CONTAINED IN ANY BUDGET DELIVERED TO THE BUYER PREPARED IN ACCORDANCE WITH THE CONDOMINIUM ACT ARE ESTIMATES ONLY AND REPRESENT AN APPROXIMATION OF FUTURE EXPENSES BASED ON FACTS AND CIRCUMSTANCES EXISTING AT THE TIME OF THE PREPARATION OF THE BUDGET BY THE DEVELOPER. ACTUAL COSTS OF SUCH ITEMS MAY EXCEED THE ESTIMATED COSTS. SUCH CHANGES IN COST DO NOT CONSTITUTE MATERIAL ADVERSE CHANGES IN THE OFFERING.

(E) Buyer acknowledges that at the time of execution of this Agreement, Sellers have no reason to know of any particular purpose of Buyer in purchasing the Condominium Units and items of personal property sold pursuant to this Agreement. THE ORIGINAL DEVELOPER OF THE CONDOMINIUM (NOT SELLER), CONSTRUCTED THE CONDOMINIUM UNITS AND THE CONDOMINIUM PROJECT. Accordingly, Buyer acknowledges and agrees that the only warranties applicable to the Condominium Project, if any, are those that may validly be imposed thereon by statutory law on the date hereof, as set forth in the Florida Condominium Act, as such section exists as of the date of this Agreement, if applicable ("**Sole Warranties**"). Buyer further acknowledges and agrees that, to the maximum extent allowed by Law, since Sellers did not construct the Condominium Project and did not create the condominiums located therein, Sellers disclaim all warranties and Sellers make no other express or implied warranties whatsoever in regard to the Condominium Units, the common elements, any fixtures or items of personal property sold pursuant to this

Agreement or any other real or personal property whatsoever sold hereby, except as otherwise expressly set forth in this Agreement.

BUYER HEREBY ACKNOWLEDGES AND AGREES THAT SELLERS THROUGH FORECLOSURE, DEED-IN-LIEU OF FORECLOSURE OR OTHER ARRANGEMENT INVOLVING THE PRIOR OWNER OF THE REAL PROPERTY AND AN AFFILIATE OF SELLERS WHICH HELD A MORTGAGE, DEED OF TRUST OR OTHER SECURITY INTEREST ENCUMBERING THE REAL PROPERTY TO SECURE AN INDEBTEDNESS OWED BY SUCH PRIOR OWNER TO SUCH AFFILIATE, HAVE LIMITED INFORMATION ABOUT THE ASSETS. IN THAT REGARD, BUYER FURTHER ACKNOWLEDGES AND AGREES THAT THE CONDOMINIUM DOCUMENTS AND OTHER DISCLOSURES MADE PURSUANT TO THE FLORIDA CONDOMINIUM ACT, DELIVERED BY SELLERS TO BUYER ARE BEING DELIVERED TO BUYER WITHOUT ANY REPRESENTATION OR WARRANTY OF ANY KIND OR NATURE.

EXCEPT AS OTHERWISE EXPRESSLY SET FORTH IN THIS AGREEMENT, SELLERS HEREBY DISCLAIM ANY AND ALL EXPRESS OR IMPLIED WARRANTIES AS TO DESIGN, CONSTRUCTION, FURNISHINGS AND EQUIPPING OF THE CONDOMINIUM UNITS AND THE CONDOMINIUM PROJECT, AND DISCLAIM ANY AND ALL EXPRESS OR IMPLIED WARRANTIES AS SET FORTH IN THE FLORIDA CONDOMINIUM ACT (TO THE EXTENT APPLICABLE) AND ANY OTHER STATUTORY WARRANTIES (TO THE EXTENT APPLICABLE) AS WELL AS ANY WARRANTIES WHICH MAY ARISE BY OPERATION OF LAW, UNDER COMMON LAW OR OTHERWISE.

(F) Additional Disclosures as to the Central Tower Condominium Units. In the location where the Condominium Project has been constructed, there were formerly other improvements. These prior improvements have been in part demolished by the creating developer, with the balance substantially renovated by the creating developer, to such an extent that all of the Central Tower Condominium Units obtained new certificates of occupancy. Except only for certain portions of the façade, and certain portions of the previous improvements' foundation, exterior shell and certain other structural components and interior architectural details, the Central Tower Condominium Units are new construction. Given the nature and breadth of reconstruction that occurred to the Condominium Project, the Central Tower Condominium Units required new certificates of occupancy prior to being lawfully habitable. Pursuant to the definitions set forth in the Florida Condominium Act, Central Carillon Beach, a Condominium may, however, be deemed to be a "**conversion condominium.**" In that regard, in accordance with Section 718.618 of the Florida Condominium Act,

BUYER IS HEREBY ADVISED THAT TO THE EXTENT APPLICABLE AND NOT ABLE TO BE DISCLAIMED OR YET EXPIRED, SELLERS HAVE ELECTED TO PROVIDE THE BUYER OF EACH CENTRAL TOWER CONDOMINIUM UNIT AN IMPLIED WARRANTY OF FITNESS AND MERCHANTABILITY FOR THE

PURPOSES OR USES INTENDED, ALL IN ACCORDANCE WITH SECTION 718.618(6) OF THE FLORIDA CONDOMINIUM ACT.

(G) Coastal Construction Control Line. Buyer is aware that the Condominium Units and/or portions of the Condominium Project may be located in coastal areas partially or totally seaward of the Coastal Construction Control Line as defined in Section 161.053, Florida Statutes. The property being purchased may be subject to coastal erosion and to federal, state, or local regulations that govern coastal property, including the delineation of the Coastal Construction Control Line, rigid coastal protection structures, beach nourishment, and the protection of marine turtles. Additional information can be obtained from the Florida Department of Environmental Protection, including whether there are significant erosion conditions associated with the shoreline of the property being purchased. Buyer is fully apprised of the character of the regulation of property in such coastal areas and Buyer hereby waives and releases any right to receive at closing a survey delineating the location of the Coastal Construction Control Line with respect to the Condominium Units and the Condominium Project in accordance with Section 161.57, Florida Statutes.

(H) Florida Homeowners' Construction Recovery Fund. Pursuant to Section 489.1425, Florida Statutes, Sellers are required to provide the following notice to Buyer:

FLORIDA HOMEOWNERS' CONSTRUCTION RECOVERY FUND PAYMENT MAY BE AVAILABLE FROM THE FLORIDA HOMEOWNERS' CONSTRUCTION RECOVERY FUND IF YOU LOSE MONEY ON A PROJECT PERFORMED UNDER CONTRACT, WHERE THE LOSS RESULTS FROM SPECIFIED VIOLATIONS OF FLORIDA LAW BY A LICENSED CONTRACTOR. FOR INFORMATION ABOUT THE RECOVERY FUND AND FILING A CLAIM, CONTACT THE FLORIDA CONSTRUCTION INDUSTRY LICENSING BOARD AT THE FOLLOWING TELEPHONE NUMBER AND ADDRESS: 1940 NORTH MONROE STREET, TALLAHASSEE, FL 32399-0783, PHONE: 850-487-1395.

(I) Subsequent Developer, Existing Improvements and Other Matters. Buyer acknowledges that Sellers are not the creating developer of the Condominium Project and that Sellers did not construct the improvements constituting the Condominium Project, nor prepare the initial covenants and restrictions, including the Condominium Documents or exhibits thereto, governing same. Buyer acknowledges and agrees that, during construction, the creating developer may have modified and adjusted plans and specifications for the improvements to the Condominium Project to reflect ongoing, "in the field" construction needs. Buyer further acknowledges and agrees that Sellers have made available to Buyer a conversion inspection report as to the Central Tower Condominium Units, which was prepared for the creating developer, and not by or for Sellers. Because certain changes made to the plans and specifications may not have to have been filed with the governmental authorities at all, Buyer acknowledges and agrees that the plans and specifications for the Condominium

Units and the Condominium Project on file with applicable governmental authorities may not be identical to those current plans and specifications available for inspection in the offices of Sellers. Lastly, Buyer understands and agrees that there are various methods for calculating the square footage of a condominium unit and depending upon the method of calculation, the quoted square footage of a condominium unit may vary in the Condominium Documents and advertising materials. In that regard and during the course of Sellers' ownership of the Condominium Units, Sellers have identified that the square footage of the Condominium Units shown in any advertising and promotional materials including, but not limited to, brochures, newspapers, models and floor plans may be inaccurate and the Condominium Units' assigned "Allocated Interests" (as such term is defined in the Condominium Documents) as reflected on exhibits attached to the Condominium Documents) may be inconsistent with the description and boundaries of the Condominium Units stated in the Condominium Documents. In that regard, to Sellers' knowledge, stated dimensions of the Condominium Units in any advertising and promotional materials and/or as reflected on exhibits attached to the Condominium Documents may vary from the dimensions that would be determined by using the description and boundaries of the Condominium Units set forth in the Condominium Documents (which such definition only includes the interior airspace between the perimeter walls). Accordingly, Buyer acknowledges and agrees that, to Sellers' knowledge, the square footages stated in any advertising and promotional materials may be greater or lesser than those which would be derived by measuring only the interior area space for the Condominium Units as the Condominium Units are described and defined in the Condominium Documents and that the Condominium Unit's assigned Allocated Interests may be inconsistent with the description and boundaries of the Condominium Units set forth in the Condominium Documents. Buyer further acknowledges and agrees that Sellers do not make any representation or warranty whatsoever, and specifically disclaims same, as to area or dimensions of the Condominium Units, the Condominium Units' assigned Allocated Interests or the square footage of the Condominium Units or any other unit in the Condominium Project, and Buyer hereby waives and expressly releases any such warranty.

(ix) The provisions of this Section 21 shall survive the Closing.

22. **Time is of the Essence.** For all purposes herein, the Parties agree that time is and shall be of the essence of this Agreement. If the date of the performance of any term, provision or condition of this Agreement shall happen to fall on a Saturday, Sunday or other non-Business Day, the date for the performance of such term, provision or condition shall be extended to the next succeeding Business Day immediately thereafter occurring.

23. **Successor and Assigns.** This Agreement shall be binding upon and shall inure to the benefit of the Parties and to their respective heirs, executors, administrators, successors and permitted assigns.

24. **Merger.** All prior statements, understandings, representations and agreements between the Parties, oral or written, are superseded by and merged in this Agreement, which alone fully and completely expresses the agreement between them in connection with this transaction and which is entered into after full investigation, none of the Parties relying upon any statement, understanding, representation or agreement made by the others not embodied in this Agreement. This Agreement shall be given a fair and reasonable construction in accordance with the intentions of the Parties, and without regard to or aid of canons requiring construction against Sellers or the Party drafting this Agreement.

25. **Acceptance of Deeds.** Except for those obligations, representations, warranties, covenants or agreements which are expressly stated to survive the Closing, Buyer's acceptance of the Deeds shall be deemed a discharge of all of the obligations of Sellers hereunder and all of each Seller's representations, warranties, covenants and agreements herein, shall merge in the documents and agreements executed at the Closing by such Seller and shall not survive the Closing.

26. **Limitation of Liability.** Buyer agrees that it does not have and will not have any claims or causes of action against any disclosed or undisclosed officer, director, employee, trustee, shareholder, partner, principal, parent, subsidiary or other affiliate of Sellers, including, without limitation, Lehman Brothers Holdings Inc., or any officer, director, employee, trustee, shareholder, partner or principal of any such parent, subsidiary or other affiliate (collectively, "**Sellers' Affiliates**"), arising out of or in connection with this Agreement or the transactions contemplated hereby, except for the express obligations of Guarantor set forth in Section 14(g) of this Agreement and as limited thereby. Buyer agrees to look solely to Sellers and their respective assets for the satisfaction of any liability or obligation arising under this Agreement or the transactions contemplated hereby, or for the performance of any of the covenants, warranties or other agreements contained herein, and further agrees not to sue or otherwise seek to enforce any personal obligation against any of Sellers' Affiliates with respect to any matters arising out of or in connection with this Agreement or the transactions contemplated hereby. Without limiting the generality of the foregoing provisions of this Section 26, Buyer hereby unconditionally and irrevocably waives any and all claims and causes of action of any nature whatsoever it may now or hereafter have against Sellers' Affiliates, and hereby unconditionally and irrevocably releases and discharges Sellers' Affiliates from any and all liability whatsoever which may now or hereafter accrue in favor of Buyer against Sellers' Affiliates, in connection with or arising out of this Agreement or the transactions contemplated hereby. The provisions of this Section 26 shall survive the termination of this Agreement and the Closing.

27. **No Waiver.** No failure or delay of any Party in the exercise of any right or remedy given to such Party hereunder or the waiver by any Party of any condition hereunder for its benefit (unless the time specified herein for exercise of such right or remedy has expired) shall constitute a waiver of any other or further right or remedy nor shall any single or partial exercise of any right or remedy preclude other or further exercise thereof or any other right or remedy. No waiver by any Party of any breach hereunder or failure or refusal by the other Parties to comply with their obligations shall be deemed a waiver of any other or subsequent breach, failure or refusal to so comply. No waiver of any provision of this Agreement shall be effective unless it is in writing, signed by the Party against whom it is asserted and any such

written waiver shall only be applicable to the specific instance to which it relates and shall not be deemed to be a continuing or future waiver.

28. **No Recording.** Neither this Agreement nor any memorandum of this Agreement shall be recorded and any attempted recordation hereof shall be void and shall constitute a Default by the Party effecting such recording or attempt to record.

29. **No Offer.** Delivery of this Agreement shall not be deemed an offer and neither Sellers nor Buyer shall have any rights or obligations hereunder unless and until all Parties have signed and delivered an original of this Agreement and the Deposit shall have been paid to the Escrow Agent.

30. **Captions.** The caption headings in this Agreement are for convenience only and are not intended to be a part of this Agreement and shall not be construed to modify, explain or alter any of the terms, covenants or conditions herein contained.

31. **Severability.** If any provision of this Agreement shall be unenforceable or invalid, the same shall not affect the remaining provisions of this Agreement and to this end the provisions of this Agreement are intended to be and shall be severable. Notwithstanding the foregoing sentence, if (i) any provision of this Agreement is finally determined by a court of competent jurisdiction to be unenforceable or invalid in whole or in part, (ii) the opportunity for all appeals of such determination have expired, and (iii) such unenforceability or invalidity alters the substance of this Agreement (taken as a whole) so as to deny any Party, in a material way, the realization of the intended benefit of its bargain, such Party may terminate this Agreement within thirty (30) days after the final determination by notice to the other Parties. If such Party so elects to terminate this Agreement, then this Agreement shall be terminated and none of the Parties shall have any further rights, obligations or liabilities hereunder, except for those rights, obligations or liabilities which are expressly stated to survive the termination of this Agreement, and except that Buyer shall be entitled to a return of the Deposit provided Buyer is not otherwise in Default hereunder.

32. **Counterparts; Facsimile Execution.** This Agreement may be executed by facsimile and in one or more counterparts, each of which shall be deemed to be an original but all of which shall constitute one and the same Agreement.

33. **Governing Law.** This Agreement shall be construed and interpreted according to federal bankruptcy laws and the laws of the State of Florida (notwithstanding conflict of laws provisions of the State of Florida) and venue with respect to any litigation with respect to this Agreement or any of the Closing Documents shall be in Miami-Dade County, Florida. This Section 33 shall survive the Closing or termination of this Agreement.

34. **Attorneys' Fees and Costs.** In the event of any litigation between the Parties to enforce, interpret, or arising out of this Agreement or pursuant to any of the Closing Documents, the prevailing Party in any such litigation shall be entitled to an award of its attorneys' fees. For the purposes of this Agreement, the Party who receives or is awarded a substantial portion of the damages or claims sought in any proceeding shall be deemed the "prevailing" Party and attorneys' fees shall mean the reasonable fees charged by an attorney or a law firm for legal

services and the services of any legal assistants, and costs of litigation, including, but not limited to, fees and costs at trial and appellate levels. This Section 34 shall survive the Closing or termination of this Agreement.

35. **Modification.** This Agreement shall not be modified or amended (and no purported modification or amendment thereof shall be effective) unless in writing and signed by the Party to be charged.

36. **Exhibits and Schedules; Construction.** The Exhibits and Schedules referred to herein and attached hereto are hereby incorporated herein by this reference and made a part hereof for all purposes. All references to the singular or plural number or masculine, feminine or neuter gender shall, as the context requires, include all others. All references to sections, paragraphs, and exhibits are to this Agreement unless otherwise specifically noted. The use of the words "hereof", "hereunder", "herein" and words of similar import shall refer to this entire Agreement and not to any particular section, paragraph or portion of this Agreement unless otherwise specifically noted.

37. **WAIVER OF JURY TRIAL.** SELLERS AND BUYER HEREBY KNOWINGLY, VOLUNTARILY, INTENTIONALLY, UNCONDITIONALLY AND IRREVOCABLY WAIVE ANY RIGHT EACH MAY HAVE TO TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM (WHETHER ARISING IN TORT OR CONTRACT) BROUGHT BY EITHER AGAINST THE OTHER ON ANY MATTER ARISING OUT OF OR IN ANY WAY CONNECTED WITH THIS AGREEMENT OR ANY OTHER DOCUMENT EXECUTED AND DELIVERED BY ANY PARTY IN CONNECTION HERewith (INCLUDING ANY ACTION TO RESCIND OR CANCEL THIS AGREEMENT WAS FRAUDULENTLY INDUCED OR IS OTHERWISE VOID OR VOIDABLE). THIS SECTION 37 SHALL SURVIVE THE CLOSING OR TERMINATION OF THIS AGREEMENT.

38. **Limitation of Liability to Seller Liability Cap Amount.** Notwithstanding anything to the contrary contained in this Agreement or in any other Closing Document, if the Closing occurs, the maximum aggregate liability of the Sellers hereunder and under the Closing Documents for any indemnification obligations, claims for damages resulting from any breach of representations, warranties or covenants and/or any other claims that the Buyer may be entitled to pursue under this Agreement or any Closing Document against the Sellers (excluding, however, any claims arising from a breach of the representation set forth in Section 12(a)(x)) shall not exceed the Seller Liability Cap Amount. Each of the entities constituting Sellers shall be jointly and severally liable under this Agreement. This Section 38 shall survive the Closing or termination of this Agreement.

39. **Sales Tax Certificate of Compliance.** At the request of Buyer, Sellers, without cost or expense to Sellers, shall cooperate with Buyer so that Buyer may apply for and obtain a tax clearance certificate with respect to Sellers.

40. **Bankruptcy Court Matters.**

(a) **Approval of Break-Up Fee.** In consideration for Buyer having expended considerable time and expense in connection with this Agreement and the negotiation thereof and the identification and quantification of assets of Sellers, Sellers shall pay Buyer a break-up fee in an amount equal to Three Hundred Twenty Thousand and No/100 (\$320,000.00) plus Termination Expenses (the “**Break-Up Fee**”) on the first Business Day following the date of consummation of an Alternative Transaction. Sellers shall file and seek the approval of the Bankruptcy Court of the Sale Motion, including the Break-Up Fee, and the entry by the Bankruptcy Court of the Bidding Procedures Order approving the payment of the Break-Up Fee. The Sellers’ obligation to pay any amounts to the Buyer arising under the terms of this Agreement, including without limitation the Break-Up Fee, shall constitute an administrative expense claim under sections 503(b)(1)(A) and 507(a)(2) of the Bankruptcy Code. In addition, as provided in the Bidding Procedures Order, the Buyer shall have such an administrative expense claim under sections 503(b)(1)(A) and 507(a)(2) of the Bankruptcy Code against each of the Sellers in the Bankruptcy Cases.

(b) **Alternative Transaction.** This Agreement is subject to the consideration by Sellers of higher or better competing bids (each a “**Competing Bid**”). From the date hereof (and any prior time) and until the transaction contemplated by this Agreement is consummated, Sellers are permitted to cause their representatives and Affiliates to initiate contact with, solicit or encourage submission of any inquiries, proposals or offers by, any Person (in addition to Buyer and its Affiliates, agents and representatives) in connection with any sale or other disposition of the Assets. In addition, Sellers shall have the responsibility and obligation to respond to any inquiries or offers to purchase all or any part of the Assets and perform any and all other acts related thereto which are required under the Bankruptcy Code or other applicable law, including, without limitation, supplying information relating to the Assets to prospective purchasers. Consistent with the foregoing, the Parties acknowledge that it is Sellers’ intent to market the Assets following the entry of the Bidding Procedures Order, including by contacting parties that have previously expressed an interest in acquiring the Assets, with an Auction to occur, if necessary, within five (5) Business Days of the close of such marketing period.

(c) **Bankruptcy Court Filings.** As promptly as reasonably practicable following the filing of the Bankruptcy Case, but no later than five (5) Business Days following the execution of the Agreement, Sellers shall file the Sale Motion seeking the entry of the Bidding Procedures Order and the Sales Order. Sellers shall use their reasonable efforts to obtain Bankruptcy Court approval of the Bidding Procedures Order and, to the extent the Buyer is selected as the Successful Bidder, the Sale Order (including file all pleadings with the Bankruptcy Court as are necessary or appropriate to secure entry of the Bidding Procedures Order and the Sale Order). Buyer agrees that it will promptly take such actions as are reasonably requested by Sellers to assist in obtaining entry of the Sale Order and the Bidding Procedures Order and a finding of adequate assurance of future performance by Buyer, including furnishing affidavits or other documents or information for filing with the Bankruptcy Court for the purposes, among others, of providing necessary assurances of performance by Buyer under this Agreement and demonstrating that Buyer is a “good faith” purchaser under Section 363(m) of the Bankruptcy Code. In the event the entry of the Sale Order or the Bidding Procedures Order shall be appealed, Sellers and Buyer shall use their respective reasonable efforts to defend such

appeal. Each of the Buyer and Sellers hereby agree to take all reasonable steps, and use their reasonable efforts, to obtain an expedited resolution of such appeal; *provided, however*, that, subject to the conditions set forth herein (including the condition precedent in Section 10(d)(v) requiring the Sale Order to become a Final Order unless such condition is waived by the Buyer), nothing contained in this Section 40(c) shall preclude the Buyer and Sellers from consummating the transactions contemplated hereby if the Bidding Procedures Order and Sale Order shall have been entered, shall not be subject to any stay and shall not have been modified, revised or amended. Sellers shall not take any action that is intended to result in, or fail to take any action the intent of which failure to act would result in, the reversal, voiding modification or staying of the Bidding Procedures Order or the Sale Order. Sellers shall use their commercially reasonable best efforts to provide such prior notice as may be reasonable under the circumstances before filing any papers in the Bankruptcy Case that relate, in whole or in part, to this Agreement or Buyer, and shall consult in good faith with Buyer regarding the content of such materials prior to such filing.

41. **Consents.** Each Party shall use its commercially reasonable efforts to obtain and deliver to the other Party at the earliest practicable date all consents and approvals required to consummate the transactions contemplated by this Agreement, including, without limitation, the Sale Order; *provided, however*, that Sellers shall not be obligated to pay any consideration therefor to any third party from whom consent or approval is requested or to initiate any litigation or Legal Proceedings to obtain any such consent or approval or to appeal a denied Sale Order.

42. **Further Assurances.** Each of Sellers and Buyer shall use its commercially reasonable efforts to (i) take all actions necessary or appropriate to consummate the transactions contemplated by this Agreement and (ii) cause the fulfillment at the earliest practicable date of all of the conditions to their respective obligations to consummate the transactions contemplated by this Agreement. Sellers further covenant and agree to use all commercially reasonable efforts, sought in good faith, to have the Bankruptcy Court enter the Bidding Procedures Order and the Sale Order.

43. **Submission to Jurisdiction; Consent to Service of Process.**

(a) Without limiting any Party's right to appeal any order of the Bankruptcy Court, (i) the Bankruptcy Court shall retain exclusive jurisdiction to enforce the terms of this Agreement and to decide any claims or disputes that may arise or result from, or be connected with, this Agreement, any breach or default hereunder, or the transactions contemplated hereby, and (ii) any and all proceedings related to the foregoing shall be filed and maintained only in the Bankruptcy Court, and Sellers and Buyer consent to and submit to the jurisdiction and venue of the Bankruptcy Court and shall receive notices at such locations as indicated in Section 33 hereof; *provided, however*, that if the Bankruptcy Case has closed, the Parties agree to unconditionally and irrevocably submit to the exclusive jurisdiction of the United States District Court for the Southern District of New York sitting in New York County or the Commercial Division, Civil Branch of the Supreme Court of the State of New York sitting in New York County and any appellate court from any thereof, for the resolution of any such claim or dispute. Each Party hereby irrevocably waives, to the fullest extent permitted by applicable law, any objection that it may now or hereafter have to the laying of venue of any such dispute brought in

such court or any defense of inconvenient forum for the maintenance of such dispute. Each Party agrees that a judgment in any such dispute may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law.

(b) Each Party consents to process being served by any party to this Agreement in any suit, action or proceeding by delivery of a copy thereof in accordance with the provisions of Section 33.

EXHIBIT L DEPARTMENT OF COMMUNITY AFFAIRS BROCHURE

Congratulations on your decision to purchase a home.

As you know, there are a lot of factors to consider before signing on the dotted line. By now, you've probably checked out the location of the home you like the best. You know how much the seller wants, how many bedrooms there are, whether your dining room table will fit, where you'll park your car and lots of other important things.

But wait, there's still one more important thing you really ought to do.

You wouldn't buy a car without asking how many miles-per-gallon it gets, would you? So why would you even think of buying a house without knowing how much the power bills will be? That's why now is the perfect time to get an EnergyGauge® rating on the house.

Since 1994, there has been a voluntary, statewide energy-efficiency rating system for homes in Florida. Prospective homeowners just like you, all around the state, are getting their homes rated before they make their purchase.

There are several very important reasons why:

▲ Energy ratings give homebuyers a market-place yardstick that measures the benefits of energy-efficiency. You get detailed estimates of how much your energy use will cost.

▲ Energy ratings give you clear and specific information that lets you compare similar homes on their energy use. Two homes might look similar, but one may be efficient and comfortable, and the other an energy-guzzler with a very uncomfortable interior.

Thinking About Buying a Home? Get An EnergyGauge® Rating!

Consider the Benefits:

- ▲ More Home for Less Money
- ▲ Tested Quality Construction
- ▲ Enhanced Indoor Comfort
- ▲ Superior Energy Efficiency
- ▲ More Environmental Sustainability
- ▲ Improved Mortgage Options
- ▲ Greater Resale Value

▲ Maybe most important of all, the national Home Energy Rating System (HERS) Index on the energy rating can qualify you for a number of special mortgage programs that offer lower interest rates, lower closing costs, and other benefits. Some lenders may offer special financing.

Before buying your next home, hire a Certified Energy Rater to do a rating.

Your builder or Realtor can help you find a Certified Rater in your area. After the rating, you'll get an easy-to-understand Energy Guide that estimates how much it will cost to pay for energy used in that home.

For many years, buyers have had home inspectors look over a home before making their purchase. This is a great way to find out about potential house problems before you make your purchase. Smart homebuyers around the country are now also asking for a home energy rating to look specifically at the energy-use in a home and determine efficiency. Because energy costs can equal house payments, the relatively small cost of a home energy rating can easily be offset by many years of lower energy payments.

You're already familiar with the miles-per-gallon stickers on new automobiles, and the yellow Energy Guide labels on home appliances. Shoppers use this information to figure out how much that car or appliance is really going to cost them. This information gives the buyer

a good estimate of what it will cost to operate that car or use that appliance, over and above the purchase price. A car or product that is cheaper to buy can often be more expensive to operate, so this information can be very important to assure that you make the best purchase decision.

Here's how the EnergyGauge® program works.

After the rating, you'll get an easy-to-read form like the one on the next page. The Rating Guide has a scale that allows you to compare the specific home you're looking at with the most efficient and the least efficient homes of the same size, with the same number of bedrooms available in your part of the state today.

One of the keys to the success of this program is the uniformity of ratings, made possible by the use of the EnergyGauge® software developed by the Florida Solar Energy Center®. It has been specially designed to let Raters input the key data on the home and obtain accurate information for comparison purposes.

Beyond a home energy rating, how can you reduce your energy use and save money?

That's easy. While the design and construction of your home, and the efficiency of its appliances and equipment, control the most significant portion of its energy use, occupant lifestyle will still have a big effect on exactly how much energy gets used. Your comfort preferences and personal habits - the level at which you set the thermostat, whether or not you turn off lights and fans when leaving a room, how much natural ventilation you use, and other factors - will all affect your home's actual monthly energy use.

Florida's program parallels national activities.

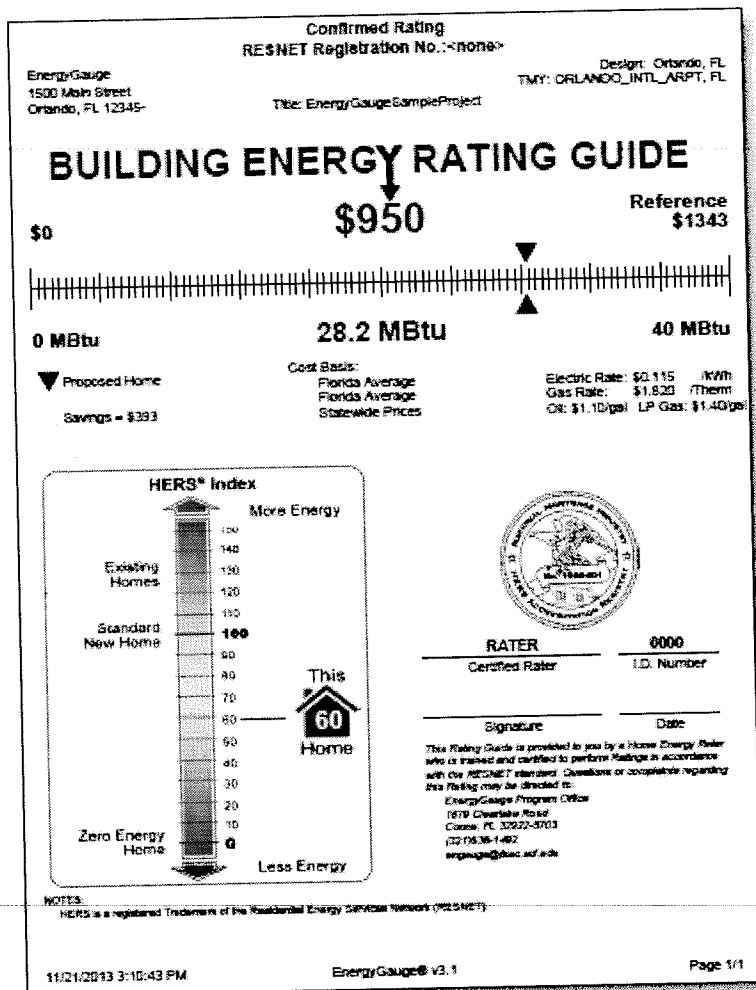

The Residential Energy Services Network (RESNET) sets the national standards for the Home Energy Rating System (HERS), and the Florida Solar Energy Center's Energy Gauge system meets these standards. The Florida Building Energy Rating Guide provides a HERS Index for the home. This national score enables homes to qualify for national mortgage financing options requiring a HERS Index. This index is computed in accordance with national guidelines, considering the heating, cooling, water heating, lighting, appliance, and photovoltaic energy uses. HERS awards stars to the rating.

Tell your Realtor or builder that you want to get the home rated before you buy it.

They can give you the names of Raters in your area. Additional information on the program is available from the Energy Gauge Program Office at 321-638-1422, or visit our Web site at www.floridaenergycenter.org.

Who does Energy Ratings?

It is important to note that only Certified Raters are allowed to perform ratings. These Raters have undergone rigorous training programs and have passed the RESNET National Core exam and the required challenge exams. They are also required to undergo continuing education classes and additional exams to keep their

certifications current. An on-going quality control program also watches over their Ratings and their work. All their Ratings are submitted to a central registry that checks them for accuracy and compiles generic building data.

Energy Ratings in Florida

The Florida Building Energy-Efficiency Rating Act (Florida Statute 553.990) was passed by the State Legislature in 1993 and amended in 1994. It established a voluntary state-wide energy-efficiency rating system for homes. The Rating System has been adopted by DCA Rule 98-60. Modifications were made by the Legislature in 2013.

The Debtors are authorized and directed to pay the Break-Up Fee to the Purchaser in accordance with the terms of the Purchase Agreement without further order of the Bankruptcy Court.

22. Except for the Purchaser, no other party submitting an offer or Bid or a Qualified Bid shall be entitled to any expense reimbursement or breakup, termination, or similar fee, or postpetition claim, including any administrative expense claim or substantial contribution claim under section 503 of the Bankruptcy Code or otherwise, and by submitting a Bid, a Bidder (other than the Purchaser) shall be deemed to waive any right with respect thereto.

23. The Debtors' obligations under this Order, the provision of this Order, and the portions of the Purchase Agreement pertaining to the obligations to pay the Break-Up Fee shall survive confirmation of any chapter 11 plan or discharge of claims thereunder and shall be binding upon the Debtors, and the reorganized or reconstituted Debtors, as the case may be, after the effective date of a confirmed plan or plans in the Chapter 11 Cases (including any order entered after any dismissal of the Chapter 11 Cases or conversion of the Chapter 11 Cases to cases under chapter 7 of the Bankruptcy Code).

24. The full amount of the Break-Up Fee may be included in each bid by the Purchaser for the purposes of comparison to any Overbid (as defined in the Bid Procedures) in connection with each round of bidding in the Auction.

- 5) is accompanied by a deposit (the “Bid Deposit”) in an amount equal to at least 10% of the purchase price proposed by the Potential Bidder, in the form of a certified check or cash deposit;
- 6) is accompanied by sufficient information, including to demonstrate, in the Debtors’ sole discretion, that the Potential Bidder has the financial ability to timely consummate the Alternative Transaction, including, but not limited to, current bank account statements, current audited financial statements, commitments or other proof of available financing, and such other forms of financial disclosure and credit quality in support of such Potential Bidder (including financial information from any entities that will finance or guarantee the obligations of such Potential Bidder);

7) is firm and unconditional and not subject to any contingencies that are not also applicable to the Purchase Agreement including, without limitation, further due diligence review or financing contingencies.

The Debtors shall not consider any Bids received after the Bid Deadline. Following entry of the Bidding Procedures Order, the Debtors, in their sole and absolute discretion after consultation with their professionals, may reject any competing bid that is on terms that are more burdensome or conditional than the terms of the Purchase Agreement; requires any indemnification of the Potential Bidder other than as set forth in the Purchase Agreement; includes non-cash consideration; is contingent on receiving uncommitted funds from a governmental authority; entitles the Potential Bidder to any break-up fee, termination fee, expense reimbursement, or similar type of payment; is not in conformity with the Bankruptcy Code, the Federal Rules of Bankruptcy Procedure, or the Local Bankruptcy Rules of the Bankruptcy Court; is from an entity that the Debtors, in their sole and absolute discretion, conclude does not have the financial ability to consummate the transaction or fulfill financial commitments under their proposal; or is contrary to the best interests of the Debtors' estates.

The Debtors may, in their sole and absolute discretion, communicate prior to the Auction or Sale Hearing with any Potential Bidder and may request any additional information reasonably required by the Debtors in connection with the Debtors' evaluation of such Potential Bidder's bid.

Within three (3) business days after the Bid Deadline, the Debtors shall inform each Potential Bidder that has submitted a bid whether it is a Qualified Bidder and shall contemporaneously advise the Purchaser of such determination(s). As soon as reasonably practicable after the Bid Deadline, but in any case no later than two (2) days prior to the Auction (as defined below), the Debtors shall give all Qualified Bidders a copy of all Qualified Bid(s) received to date.

The Purchase Agreement executed by the Purchaser is a Qualified Bid and the Purchaser is a Qualified Bidder for all purposes, provided, however, notwithstanding anything herein to the contrary, the bid of the Purchaser shall terminate only in accordance with the Purchase Agreement.

Sale to The Purchaser

If (i) no Qualified Bids have been submitted (other than that submitted by the Purchaser) by the Bid Deadline or (ii) the aggregate value of the highest Qualified Bid submitted by the Bid Deadline for the Assets is for a price and under terms which the Debtors believe to not be higher or better than the purchase price in the Purchase Agreement, the Debtors may report the same to the Bankruptcy Court and shall proceed to seek approval of the Purchase Agreement and the transaction contemplated thereby.

Auction

If the value of the highest or best Qualified Bid submitted (other than that submitted by the Purchaser) by the Bid Deadline for the Assets (as determined by the

Debtors in their sole and absolute discretion) is for a price and under terms the Debtors believe to be higher or better than the purchase price set forth in the Purchase Agreement or the Debtors determine (in their sole and absolute discretion) that it is in the best interests of the Debtors' estates, an auction (the "Auction") for the Assets will take place on a date to be determined by the Bankruptcy Court and set forth in the Bidding Procedures Order. Subject to the terms of the Purchase Agreement, the Debtors may extend the deadlines set forth in the Bidding Procedures Order and/or adjourn, continue or suspend the Auction and/or the Sale Hearing for any reason without further order of the Bankruptcy Court, by filing a notice with the Bankruptcy Court and serving such notice on all Potential Bidders.

Only a Qualified Bidder that has submitted a Qualified Bid will be eligible to participate at the Auction. The Debtors will evaluate all Qualified Bids received and, after consultation with their professionals, will select the Qualified Bid that reflect the highest or best offer for the Assets as the "Starting Auction Bid." In considering which Qualified Bid shall be the Starting Auction Bid, the Debtors will consider, among other things, the Qualified Bid, the changes to the Purchase Agreement required by the Qualified Bid, and the Qualified Bidder's ability to finance and timely consummate the purchase of Assets.

For the avoidance of doubt, the Purchaser shall be permitted to include the full amount of the Break-Up Fee in each bid by the Purchaser for the purposes of comparison to any overbid in connection with each round of bidding in the Auction.

The following rules shall apply at the Auction: (i) the minimum initial overbid(s) must be, in the aggregate, at least \$100,000 greater than the Starting Auction Bid(s), (ii) subsequent overbids must be, in the aggregate, in increments of at least \$100,000 unless otherwise defined by the Debtors in their sole discretion. From time to time, the Debtors will, in an open forum, advise Qualified Bidders participating in the Auction of their determination as to the terms of the then highest or otherwise best bid for the Assets. The Debtors shall also consider the impact of the Break-Up Fee and the potential costs of satisfying the conditions of any bid.

An overbid at the Auction must comply with the conditions for a Qualified Bid set forth above, provided, however, that the Bid Deadline shall not apply. Any overbid must remain open and binding on the Bidder until and unless the Debtors accept a higher or otherwise better overbid from such Bidder. To the extent not previously provided, a Bidder submitting an overbid at the Auction must submit, as part of its overbid, written evidence (in the form of financial disclosure or credit quality support information or enhancement reasonably acceptable to the Debtors) demonstrating such Bidder's ability to close the Alternative Transaction proposed by such overbid.

Subject to the Purchase Agreement, the Debtors, in their sole and absolute discretion after consultation with their professionals, may adopt other rules for the Auction at the Auction that, in their reasonable judgment, will better promote the goals of the Auction. All such rules will provide that: (i) the procedures must be fair and open, with no participating Qualified Bidder disadvantaged in any material way as compared to any other Qualified Bidder and (ii) all bids shall be made and received in

one room, on an open basis, and all bidders shall be entitled to be present for all bidding with the understanding that the true identity of each bidder shall be fully disclosed to all other bidders and that all material terms of each Qualified Bid shall be fully disclosed to all other bidders throughout the entire Auction. Nothing herein shall prohibit the Debtors from meeting privately with any Qualified Bidder to negotiate the terms of a bid or overbid.

During the Auction, the Debtors will review each bid or overbid submitted by a Qualified Bidder in order to identify, in their sole and absolute discretion after consultation with their professionals, the bid or overbid that constitutes the highest or otherwise best bid for the Assets. The Debtors will consider, among other things, (i) the amount of consideration offered under the Qualified Bid; (ii) the changes to the Purchase Agreement required by the Qualified Bid; and (iii) the Qualified Bidder's ability to finance and timely consummate the purchase of the Assets. The Debtors will also consider the Qualified Bid's impact on the ability to minimize the Debtors' losses incurred before the Closing Date based on the terms and timing provided in the bid.

The Auction shall continue until there is only one Qualified Bid for the Assets that the Debtors determine, in their reasonable business judgment, after consultation with their advisors, is the highest or otherwise best Qualified Bid at the Auction for the Assets. The bid that is selected by the Debtors as the highest or otherwise best bid for the Assets will be considered the "Successful Bid" and such bidder the "Successful Bidder." Promptly following the Debtors' selection of the Successful Bid and the conclusion of the Auction (and in no event later than one (1) business day after the close of the Auction), the Debtors shall announce the Successful Bid and Successful Bidder and shall file with the Bankruptcy Court notice of the Successful Bid and Successful Bidder.

Any bid submitted after the conclusion of the Auction shall not be considered for any purpose unless an order of the Bankruptcy Court is entered directing that such bid be considered, and neither the Debtors nor any other person shall have any obligation to seek such an order from the Bankruptcy Court.

The second highest or otherwise best bid (the "Second Highest Bid" and such bidder, the "Second Highest Bidder"), as determined by the Debtors at the conclusion of the Auction and approved by the Bankruptcy Court at the Sale Hearing, shall remain open and irrevocable through the closing of the sale of the Assets to the Successful Bidder. In the event that, for any reason, the Successful Bidder fails to close the transaction contemplated by its Successful Bid, the Debtors, in their sole and absolute discretion, may elect to regard the Second Highest Bid as the highest or best bid for the Assets, and the Debtors will be authorized to consummate the transaction contemplated by the Second Highest Bid without further order of the Bankruptcy Court. The Debtors may not compel the Purchaser to serve as the Second Highest Bidder without the Purchaser's express written consent.

The Sale Hearing and Return of Deposits

The Sale Hearing will be held at a date and time established by the Bankruptcy Court in the Bidding Procedures Order. At the Sale Hearing, the Debtors will seek entry of a Sale Order, among other things, authorizing and approving the sale of the Assets: (i) if no Auction is held or if the Purchase Agreement is the Successful Bid, with the Purchaser pursuant to the terms and conditions set forth in the Purchase Agreement, or (ii) if a Qualified Bid other than the Purchase Agreement is determined by the Debtors after the Auction to be the Successful Bid, with the Successful Bidder pursuant to the terms and conditions set forth in the Successful Bid. Subject to the Purchase Agreement and the terms of the Successful Bid, the Sale Hearing may be adjourned or rescheduled at the Debtors' sole and absolute discretion, and the Debtors will notify all relevant parties of such adjournment or rescheduling in an appropriate manner, including by an announcement of the adjourned date at the Sale Hearing.

The Debtors, the Purchaser, and any other Qualified Bidder, in each case, along with their representatives, advisors and counsel, shall attend the Auction in person, and only the Purchaser and such other Qualified Bidders will be entitled to make any Bids at the Auction.

No offer shall be deemed accepted by the Debtors unless and until it is approved by the Bankruptcy Court.

In the event the Purchaser or any Successful Bidder fails to consummate the purchase of the Assets because of a breach or failure to perform on the part of such bidder, the bidder's Bid Deposit shall be forfeited to the Debtors provided that the Debtors reserve the right to seek all available damages from the defaulting bidder, provided, however, that in the case of the Purchaser's Bid Deposit, the treatment thereof shall be governed by the terms of the Purchase Agreement and the Debtors' right to seek additional damages will be subject to the terms of the Purchase Agreement.

All Bid Deposits, other than the Bid Deposit of the Successful Bidder and the Second Highest Bidder, will be returned within five (5) business days following entry of the Sale Order. The Bid Deposit of the Second Highest Bidder will be returned as soon as practicable following the closing of the sale with the Successful Bidder pursuant to the Successful Bid, unless the Debtors have elected to regard the Second Highest Bid as the highest or best bid for the Assets, as described above. Except as otherwise provided in the Purchase Agreement, the Debtors will not be required to maintain any Bid Deposit in an interest-bearing account, but any interest earned on any Bid Deposit will be remitted to the appropriate Qualified Bidder if the Bid Deposit is returned to the Qualified Bidder pursuant to the above. Subject to the Purchase Agreement in the case of the Purchaser's Bid Deposit, Bid Deposits may only be used in accordance with the terms of these Bidding Procedures. Neither the Debtors nor the Purchaser shall have any liability with respect to any Bid Deposit.

Break-Up Fee

Pursuant to the Bidding Procedures Order, the Purchaser is entitled to the Break-Up Fee in accordance with the terms of the Purchase Agreement and the Bidding Procedures Order.

Pursuant to the Bidding Procedures Order, except for the Purchaser, no other party submitting an offer or bid or a Qualified Bid shall be entitled to any expense reimbursement or breakup, termination, or similar fee, or postpetition claim, including any administrative expense claim or substantial contribution claim under section 503 of the Bankruptcy Code or otherwise, and by submitting a bid, a Bidder (other than the Purchaser) shall be deemed to waive any right with respect thereto.

Jurisdiction

The Bankruptcy Court shall retain exclusive jurisdiction over any matter or dispute relating to the sale of the Assets, the Bidding Procedures, the Sale Hearing, the Auction, the Purchase Agreement, and/or any other matter that in any way relates to the foregoing.

**NOTICE TO COUNTERPARTIES TO EXECUTORY CONTRACTS AND
UNEXPIRED LEASES THE DEBTORS MAY ASSUME AND ASSIGN AS
PART OF SALE OF SUBSTANTIALLY ALL OF THE PROPERTY**

PLEASE TAKE NOTICE THAT on [____], 2014, the above-captioned debtors and debtors-in-possession (collectively, the "Debtors")¹ filed a motion [Docket No. ____] (the "Sale Motion") with the United States Bankruptcy Court for the Southern District of New York (the "Bankruptcy Court"), which seeks, among other things, approval of key dates, times, and procedures related to the sale of the "Assets," as defined in the Purchase and Sale Agreement (the "Agreement"), to 360 Miami Hotel & Spa LLC (the "Purchaser") pursuant to the Agreement. On [____], 2014, the Bankruptcy Court approved the Bidding Procedures. On [____], 2014 at [____] __.m. prevailing Eastern time, the Debtors intend to seek approval of, among other things, the sale of the Assets, including the assumption and assignment of certain executory contracts and unexpired leases.

YOU ARE RECEIVING THIS NOTICE BECAUSE YOU OR ONE OF YOUR AFFILIATES IS A COUNTERPARTY TO AN EXECUTORY CONTRACT OR UNEXPIRED LEASE WITH ONE OR MORE OF THE DEBTORS AS SET FORTH ON EXHIBIT A ATTACHED HERETO.²

¹ The Debtors consist of the following entities: FL 6801 Spirits LLC, FL 6801 Collins North LLC, FL 6801 Collins Central LLC and FL 6801 Collins South LLC.

² This Notice is being sent to counterparties to Executory Contracts and Unexpired Leases. This Notice is not an admission by the Debtors that such contract or lease is executory or unexpired.

PLEASE TAKE FURTHER NOTICE THAT pursuant to the Bidding Procedures, the Debtors may assume and assign to the Purchaser or other Successful Bidder the executory contract(s) or unexpired lease(s) listed on Exhibit A attached hereto (each, an "Assigned Contract") to which you are a counterparty. The Debtors have conducted a review of their books and records and have determined that the cure amount for unpaid monetary obligations under such Assigned Contract is as set forth on Exhibit A attached hereto (the "Cure Amount"). If you disagree with the proposed Cure Amount, object to the proposed assignment to the Purchaser or other Successful Bidder of the Assigned Contract(s) or object to the Purchaser's or other Successful Bidder's ability to provide adequate assurance of future performance with respect to any Assigned Contracts, you must file an objection with the Bankruptcy Court so as to be actually received no later than [] __.m. (prevailing Eastern time) on [], 2014 (the "Objection Deadline") and serve such objection on (i) Togut, Segal & Segal LLP, attorneys for the Debtors, One Penn Plaza, Suite 3335, New York, New York 10119, Attention: Frank A. Oswald, Esq. and Lara R. Sheikh, Esq.; (ii) the United States Trustee for the Southern District of New York, U.S. Federal Office Building, 201 Varick Street, Suite 1006, New York, New York 10014, Attn: William K. Harrington, Esq. and Susan D. Golden, Esq.; and (iii) counsel for Purchaser, Fulbright & Jaworski LLP, 98 San Jacinto Blvd., Suite 1100, Austin, Texas 78701-4255, Attn: Jane Snoddy Smith, Esq. and 2200 Ross Avenue, Suite 2800, Dallas, Texas 75201, Attn: Kristian W. Gluck, Esq.

PLEASE TAKE FURTHER NOTICE THAT the Debtors propose that if no objection to (a) the Cure Amount(s), (b) the proposed assignment of the Assigned Contract(s) to the Purchaser or other Successful Bidder or (c) adequate assurance of the Purchaser's or other Successful Bidder's ability to perform is filed by Objection Deadline, (i) you will be deemed to have stipulated that the Cure Amount(s) as determined by the Debtors is correct, (ii) you shall be forever barred, estopped, and enjoined from asserting any additional cure amount under the Assigned Contract(s), and (iii) you will be forever barred from objecting to the assumption or assignment of the Assigned Contract(s) to the Purchaser or other Successful Bidder or the Purchaser's or other Successful Bidder's adequate assurance of future performance.

PLEASE TAKE FURTHER NOTICE THAT with respect to any Assigned Contract assumed and assigned to the Purchaser or other Successful Bidder, all Cure Amounts shall be satisfied by payment of the Cure Amounts as soon as reasonably practicable after closing of the sale to the Purchaser or other Successful Bidder or on such other terms as the parties to each such Assigned Contract and the Purchaser or other Successful Bidder may otherwise agree without any further notice to or action, order, or approval of the Bankruptcy Court. In addition, the assumption or assignment of each such Assigned Contract may be conditioned upon the disposition of all issues with respect to such Assigned Contract.

PLEASE TAKE FURTHER NOTICE THAT pursuant to the Bidding Procedures, with respect to any Assigned Contract, in the event of a dispute regarding: (a) the amount of any Cure Amount; (b) the ability of the Debtors to assume or assign to the Purchaser or other Successful Bidder such Assigned Contracts; (c) the ability of the Purchaser or other Successful Bidder to provide "adequate assurance of future performance" (within the meaning of section 365 of the Bankruptcy Code), if applicable,

under such Assigned Contract; or (d) any other matter pertaining to assumption or assignment, the Cure Amounts shall be paid as soon as reasonably practicable following the entry of a final order resolving the dispute and approving the assumption and assignment of such Assigned Contract; provided, however, that the Debtors may settle any such dispute without any further notice to or action, order, or approval of the Bankruptcy Court.

PLEASE THAT FURTHER NOTICE THAT notwithstanding anything herein, this Notice shall not be deemed to be an assumption, adoption, rejection, or termination of any of the Assigned Contracts. Moreover, the Debtors explicitly reserve their rights, in their sole discretion, to seek to reject or assume or assume and assign any Assigned Contract pursuant to section 365(a) of the Bankruptcy Code, and nothing herein (a) alters in any way the prepetition nature of the Assigned Contracts or the validity, priority, or amount of any claims of a counterparty to an Assigned Contract against the Debtors that may arise under such Assigned Contract, (b) creates a postpetition contract or agreement, or (c) elevates to administrative expense priority any claims of any counterparty to an Assigned Contract against the Debtors that may arise under such Assigned Contract.

and South Tower Associations; (xi) all owners of units at the Assets; (xii) the creditors listed as holding the 20 largest unsecured claims against the Debtors' estates (on a consolidated basis); (xiii) all entities that have expressed an interest to the Debtors' or their advisors in purchasing the assets subject to this Order; (xiv) all parties listed on Schedule 6 to the Purchase Agreement; and (xv) all other parties that filed notices of appearance in the Chapter 11 cases, ((i)-(xv) shall be collectively referred to herein as the "Notice Parties"). Notice of the Auction and Sale Hearing was published in the New York Times on _____, 2014. The notices described above were good, sufficient, and appropriate under the circumstances, and no other notice is required.

D. The disclosures made by the Debtors concerning the Purchase Agreement, the Auction, the Sale contemplated by the Purchase Agreement, and the Sale Hearing were good, complete, and adequate.

E. The Bidding Procedures set forth in the Bidding Procedures Order were non-collusive and proposed and executed in good faith as a result of arm's-length negotiations between the Debtors and the Purchaser, and were substantively and procedurally fair to all entities.

F. The Debtors conducted the sale and auction process in accordance, and have otherwise complied in all respects, with the Bidding Procedures Order. The sale and auction process set forth in the Bidding Procedures Order afforded a full, fair, and reasonable opportunity for all creditors, parties-in-interest and other entities to make a higher or otherwise better offer to purchase the Assets.

G. A reasonable opportunity to object or be heard with respect to the Sale Motion and the relief requested therein has been afforded to all interested persons and entities.

H. The Debtors have full corporate power and authority to consummate the Sale Transaction pursuant to the Purchase Agreement and all other documents contemplated thereby, and no consents or approvals, other than those expressly provided for in the Purchase Agreement, are required for the Debtors to consummate the Sale Transaction.

I. Approval of the Purchase Agreement and consummation of the Sale Transaction are in the best interests of the Debtors' estates, their creditors, and other parties-in-interest.

J. The Debtors have demonstrated good, sufficient, and sound business purpose and justification and compelling circumstances for the Sale pursuant to section 363(b) of the Bankruptcy Code. Such business reasons include, without limitation, the following: (i) the Purchase Agreement constitutes the highest or otherwise best offer for the Assets; (ii) the Purchase Agreement and the closing thereon will present the best opportunity to realize the value of the Assets on a going concern basis and avoid decline and devaluation of the Assets; and (iii) any other transaction, including, without limitation, pursuant to a chapter 11 plan, would not have yielded as favorable an economic result.

K. The Purchase Agreement was negotiated, proposed and entered into by and among the Debtors and the Purchaser, without collusion, in good faith, and from arm's-length bargaining positions. The Purchaser is not an "insider" or "affiliate" of the Debtors as those terms are defined in the Bankruptcy Code. Neither the Debtors nor the Purchaser have engaged in any conduct that would cause or permit the avoidance of the Purchase Agreement or the consummation of the Sale Transaction, or the imposition of costs or damages under section 363(n) of the Bankruptcy Code. The

aggregate price paid by the Purchaser for the Assets was not controlled by any agreement among the bidders.

L. The Purchaser is a good faith purchaser under section 363(m) of the Bankruptcy Code and, as such, is entitled to all of the protections afforded thereby in that: (a) the Purchaser recognized that the Debtors were free to deal with any other party interested in a transaction regarding the Sale; (b) the Purchaser complied in all respects with the Bidding Procedures Order; (c) the Purchaser agreed to provisions in the Purchase Agreement that would enable the Debtors to accept a higher or better offer in respect of the Sale; (d) the Purchaser made the highest or best bid in respect of the Sale; (e) all payments to be made by or to the Purchaser and other agreements or arrangements entered into by the Purchaser in connection with the transactions have been disclosed; (f) the Purchaser neither induced nor caused the Debtors' chapter 11 filings; (g) the negotiation and execution of the Purchase Agreement and any other agreements or instruments related thereto was in good faith and an arm's-length transaction between the Purchaser and the Debtors; and (h) the Purchaser has not violated section 363(n) of the Bankruptcy Code by any action or inaction. The Purchaser has at all times acted in good faith and will continue to be acting in good faith within the meaning of section 363(m) of the Bankruptcy Code in closing the transactions contemplated by the Purchase Agreement.

M. The Sale Transaction and the sale of the Assets is in furtherance of, and a conveyance pursuant to, the Modified Third Amended Joint Chapter 11 Plan of Lehman Brothers Holdings Inc., Chapter 11 Case No. 08-13555 [ECF No. 23023] (the "Plan"), which provides that the Plan Administrator (as defined in the Plan) shall wind-down, sell and otherwise liquidate assets of the Debtor-Controlled Entities (as defined

in the Plan) in accordance with Section 6.1(b)(iii) of the Plan. The Debtors are Debtor-Controlled Entities within the meaning of the Plan.

N. The terms and conditions of the Purchase Agreement are fair and reasonable. The consideration of \$12,000,000 provided by the Purchaser for the Assets pursuant to the Purchase Agreement (i) is fair and reasonable, (ii) is the highest or best offer for the Assets, (iii) will provide a greater recovery for the Debtors' creditors than would be provided by any other practical available alternative, and (iv) constitutes reasonably equivalent value (as those terms are defined in each of the Uniform Fraudulent Transfer Act, Uniform Fraudulent Conveyance Act and section 548 of the Bankruptcy Code) and fair consideration under the Bankruptcy Code and applicable non-bankruptcy law. No other entity or group of entities has offered to purchase the Assets for greater economic value to the Debtors' estates than the Purchaser. The Debtors' determination that the Purchase Agreement constitutes the highest and best offer for the Assets constitutes a valid and sound exercise of the Debtors' business judgment.

O. The Purchaser is not a mere continuation of any of the Debtors or their estates and there is no continuity of enterprise between the Purchaser and any of the Debtors. The Purchaser is not holding itself out to the public as a continuation of any of the Debtors. The Purchaser is not a successor to any of the Debtors or their estates and the Sale does not amount to a consolidation, merger or de facto merger of Purchaser and any of the Debtors.

P. The Sale of the Assets outside a chapter 11 plan pursuant to the Purchase Agreement neither impermissibly restructures the rights of the Debtors' creditors nor impermissibly dictates the terms of a chapter 11 plan of the Debtors. The Sale does not constitute a sub rosa plan.

Q. The Purchaser has not agreed to assume and shall have no obligations with respect to any liabilities of the Debtors or their subsidiaries or Affiliates other than the Assumed Liabilities and Permitted Encumbrances as specifically provided in the Purchase Agreement.

R. The Purchaser is not and will not be liable to any agent, broker, person or firm acting or purporting to act on behalf of either the Debtors or the Purchaser for any commission, broker's fee or finder's fee respecting the Sale Transaction.

S. The Purchase Agreement was not entered into for the purpose of hindering, delaying or defrauding creditors under the Bankruptcy Code or under the laws of the United States, any state, territory, possession or the District of Columbia. Neither the Debtors nor the Purchaser are fraudulently entering in the transaction contemplated by the Purchase Agreement.

T. The Assets constitute property of the Debtors' estates and the Debtors are the sole and lawful owner of the Assets, and hold good title thereto (subject to the Permitted Encumbrances).³ The transfer of the Assets to the Purchaser will be a legal, valid, and effective transfer of the Assets, and will vest the Purchaser with all right, title, and interest of the Debtors in and to the Assets free and clear of all liens, claims, interests, obligations, rights, charges and encumbrances, except for Permitted Encumbrances as specifically provided in the Purchase Agreement. The Purchaser shall have no liability for any claims against or liabilities of the Debtors or their estates.

U. The Debtors have good marketable title to the Assets and are lawful owners of the Assets. The Debtors may sell the Assets free and clear of all, liens,

interests, obligations, rights, encumbrances, pledges, mortgages, deeds of trust, security interests, claims (including, any "claim" as defined in Section 101(5) of the Bankruptcy Code), leases, possessory leasehold interests, charges, options, rights of first refusal or option to purchase any real property, easements, servitudes, transfer restrictions under any agreement, judgments, hypothecations, demands, licenses, sublicenses, assignments, debts, obligations, guaranties, options, contractual commitments, restrictions, environmental liabilities, options to purchase, and options, in each case of whatever kind, nature, or description in, against or with respect to any of the Assets, having arisen, existed or accrued prior to and through the Closing, whether direct or indirect, absolute or contingent, choate or inchoate, fixed or contingent, matured or unmatured, liquidated or unliquidated, arising or imposed by agreement, understanding, law, equity, statute or otherwise and whether arising prior to, on or after the Petition Date, including those liens, claims and/or encumbrances listed on Exhibit A to this Order (collectively, "Liens, Claims and/or Interests"), except for Permitted Encumbrances as expressly provided in the Purchase Agreement, because one or more of the standards set forth in section 363(f)(1) – (5) has been satisfied with regard to each such Lien, Claim and/or Interest. Those non-debtor parties with Liens, Claims and/or Interests in or with respect to the Assets who did not object, or who withdrew their objections to the Sale Transaction or the Sale Motion are deemed to have consented to the sale of the Assets free and clear of those non-debtor parties' Liens, Claims and/or Interests in the Assets pursuant to section 363(f)(2) of the Bankruptcy Code. Those non-debtor parties with Liens, Claims and/or Interests in or with respect to the Assets who objected to the Motion, but who did not withdraw any such objection, can be compelled to accept a monetary satisfaction of their liens, claims or interests within the meaning of Section 363(f)(5) of the Bankruptcy Code.

V. Certain of the Assets are sold subject to: (i) the Declaration of Covenants, Restrictions and Easements for Carillon Hotel and Spa recorded on December 3, 2007 in OR Book 26080 on Pages 4905 – 5008 in the public records for Miami-Dade County, FL, including all recorded amendments to same (collectively, the “Master Declaration”); (ii) the Declaration of Central Carillon Beach, a Condominium recorded on October 15, 2008 in OR Book 26610, Pages 0735 – 882 in the public records for Miami-Dade County, FL, including all recorded amendments to same (collectively, the “Central Tower Declaration”); (iii) the Declaration of South Carillon Beach, a Condominium recorded on December 3, 2007 in OR Book 26080 at page 4764 in the public records for Miami-Dade County, FL, including all recorded amendments to same (collectively, the “South Tower Declaration”), and (iv) the Declaration of North Carillon Beach, a Condominium recorded on August 27, 2008 in OR Book 26542 at page 15 in the public records for Miami-Dade County, FL, including all recorded amendments to same (collectively, the “North Tower Declaration”) (the “North Tower Declaration,” “South Tower Declaration” and “Central Tower Declaration” are collectively referred to hereinafter as the “Tower Declarations” unless otherwise specified, and the Master Declaration and Tower Declarations are hereinafter referred to as the “Declarations,” unless otherwise specified) which grant the owner of those Assets certain rights pursuant thereto. The North Carillon Beach Condominium Association Inc., South Carillon Beach Condominium Association Inc., and Central Carillon Beach Condominium Association, Inc. (collectively referred to hereinafter as the “Associations” unless otherwise specified) dispute and have sought to impinge upon and define those rights. To facilitate the Sale, this Court makes the following findings confirming the rights granted to the Debtors pursuant to the Declarations:

- The "Hotel Lot Owner" (as defined in the Master Declaration) (or any successor Hotel Lot Owner) has the exclusive right to determine from time to time, in its sole discretion and without notice or approval of any change, how and by whom the Spa (as defined in the Master Declaration) and spa facilities shall be used, if at all, including, without limitation, the right to approve users, determine eligibility for use, establish hours or use and guest policies, restrictions and/or prohibitions, and to allow use of the Spa and spa facilities by persons other than the Unit Owners (as defined in the Declarations).
- Each Unit Owner's right to use the Shared Facilities (as defined in the Master Declaration), including his or her "Limited Spa Rights," as that term is defined in Article 1.1(dd)(iv)(d) of the Master Declaration, are subject to the Hotel Lot Owner's right to permit other persons to use such facilities as the Hotel Lot Owner (or any successor Hotel Lot Owner) may designate in its sole discretion. This includes without limitation persons who are not members of the Associations or who are not owners of any portion of the Properties (as defined in the Master Declaration) and may include members of the public generally.
- The Hotel Lot Owner (or any successor Hotel Lot Owner) may grant and use general and specific easements over, under, and through the Shared Facilities at its sole discretion to whomever it so chooses.
- The Hotel Lot Owner (or any successor Hotel Lot Owner) of the Future Development Property as defined by Article 1.1(x) of the Master Declaration has the right to "annex" or add Future Development Property to the jurisdiction of the Master Declaration, provided that a Supplemental Declaration is duly executed and recorded in the Public Records of Miami-Dade County, as provided in Article 2.2 of the Master Declaration.
- The Hotel Lot Owner (or any successor Hotel Lot Owner) may levy assessments for, without limitation, the maintenance, repair, management, replacement and operation of the Shared Facilities. Included in the Shared Facilities are the Unit Owner's Limited Spa Rights, only as expressly set forth in Articles 1.1(dd)(iv)(d), 1.1(oo), and 4.4 of the Master Declaration. Such assessments for the Shared Facilities are separate from and in addition to the monthly Fixed Charge that Unit Owners are obligated to pay the Hotel Lot Owner (or any successor Hotel Lot Owner) in accordance with Article 16.3 of the Master Declaration.
- The Hotel Lot Owner (or any successor Hotel Lot Owner) has broad rights under the Master Declaration to regulate the use of the Shared Facilities, including, without limitation, (i) the right to limit

the availability of Unit Owners' use privileges, (ii) to change, eliminate or cease of any or all of the spa features and/or services, and (iii) to impose reasonable non-discriminatory rules and regulations, policies, restrictions and/or prohibitions to govern the orderly use of such facilities.

- The Hotel Lot Owner (or any successor Hotel Lot Owner) may institute reasonable rules and regulations to operate and manage the Shared Facilities, including limiting maximum daily users to comport with legal occupancy limits.
- The Hotel Lot Owner (or any successor Hotel Lot Owner) may include the expense of Valet Parking Services (as defined in the Sale Motion) in the Condominium Tower' Shared Facilities Assessments (as defined in the Sale Motion).
- The Hotel Lot Owner (or any successor Hotel Lot Owner) may assess utility costs based upon square footage rather than actual usage.

Nothing herein shall constitute an amendment of the Declarations.

W. If the above findings regarding the rights granted by the Master Declaration and Declarations were not entered, the Purchaser would not consummate the Sale, thus adversely affecting the Debtors, their estates and their creditors.

X. If the Sale were not free and clear of all Liens, Claims and/or Interests, or if the Purchaser would, or in the future could, be liable for any of the Liens, Claims and/or Interests, the Purchaser would not have entered into the Purchase Agreement and would not consummate the Sale, thus adversely affecting the Debtors, their estates and their creditors.

Y. The assumption and assignment of the Assigned Contracts pursuant to the terms of this Order is integral to the Purchase Agreement and is in the best interests of the Debtors and their estates, creditors, and other parties in interest, and represents the reasonable exercise of sound and prudent business judgment by the Debtors.

Z. The Debtors and Purchaser have, to the extent necessary, satisfied the requirements of section 365 of the Bankruptcy Code, including, without limitation, sections 365(b)(1)(A) and (B) and 365(f) of the Bankruptcy Code, in connection with the Sale and the assumption and assignment of the Assigned Contracts to the extent provided under the Purchase Agreement. The Purchaser is able to demonstrate adequate assurance of future performance with respect to any Assigned Contracts in accordance with section 365(b)(1)(C) of the Bankruptcy Code. Except as expressly provided by the Purchase Agreement, the Assigned Contracts are assumable and assignable notwithstanding any provisions contained therein to the contrary.

AA. The transfer of the Assets to the Purchaser (i) does not constitute an avoidable transfer under the Bankruptcy Code or under other applicable bankruptcy or non-bankruptcy law and (ii) does not and will not subject the Purchaser to any liability whatsoever with respect to the operation of the Debtors' business prior to the closing of the Sale Transaction (the "Closing").

**NOW THEREFORE, IT IS HEREBY ORDERED, ADJUDGED, AND
DECREED THAT:**

General Provisions

1. The Sale Motion is hereby granted and approved as set forth herein.
2. The findings of fact set forth above and conclusions of law stated herein shall constitute this Court's findings of fact and conclusions of law pursuant to Bankruptcy Rule 7052, made applicable to this proceeding pursuant to Bankruptcy Rule 9014. To the extent any finding of fact later shall be determined to be a conclusion of law, it shall be so deemed, and to the extent any conclusion of law later shall be determined to be a finding of fact, it shall be so deemed.

3. Any and all objections, if any, to the Sale Motion or the relief requested therein that have not been withdrawn, waived, or settled, and all reservations of rights included in such objections, are hereby overruled on the merits with prejudice, and in each case, are enjoined from taking any action against the Purchaser or any purchaser of the Assets, his affiliates or any agent of the foregoing to recover any claim which such person or entity has solely against the Debtors, or their estates. Those parties who did not object or who withdrew their objections to the Sale Motion are deemed to have consented pursuant to section 363(f)(2) of the Bankruptcy Code.

Approval of the Purchase Agreement

4. The Purchasers' offer for the Assets, as embodied in the Purchase Agreement, is the highest or otherwise best offer for the Assets.

5. The Sale Transaction, and all of the terms and conditions and transactions contemplated by the Purchase Agreement, including, without limitation, the obligations respecting the Break-Up Fee contained therein, are hereby authorized and approved pursuant to sections 105(a) and 363(b) of the Bankruptcy Code.

6. Pursuant to section 363(b) of the Bankruptcy Code, the Debtors are authorized to consummate the Sale Transaction or pay the Break-Up Fee, as the case may be, pursuant to and in accordance with the terms and conditions of the Purchase Agreement and the Debtors shall at all times act in accordance with the terms thereof.

7. The Debtors are authorized to execute and deliver, and empowered to perform under, consummate, and implement the Purchase Agreement, together with all additional instruments and documents that may be reasonably necessary, convenient or desirable to implement the Purchase Agreement and consummate the Sale Transaction pursuant thereto and effectuate the provisions of this Order and the transactions approved hereby, and to take all further actions as may be requested by the

Purchaser for the purpose of assigning, transferring, granting, conveying and conferring to the Purchaser or reducing to possession, the Assets, or as may be necessary or appropriate to the performance of the obligations as contemplated by the Purchase Agreement.

8. The consideration provided by the Purchaser to the Debtors pursuant to the Purchase Agreement for the Assets constitutes reasonably equivalent value and fair consideration under the Bankruptcy Code, Uniform Fraudulent Transfer Act, Uniform Fraudulent Conveyance Act and under the laws of the United States, any state, territory, possession or the District of Columbia.

9. This Order shall be binding in all respects upon (a) the Debtors, (b) their estates, (c) all creditors, (d) all holders of Liens, Claims and/or Interests whether known or unknown (including, but not limited to those identified on Exhibit A to this Order) against or on all or any portion of the Assets, (d) the Purchaser and all successors and assigns of the Purchaser (e) the Assets, (f) any trustees, if any, subsequently appointed in the Debtors' chapter 11 cases or upon a dismissal or conversion of these cases under chapter 7 of the Bankruptcy Code. This Order and the Purchase Agreement shall inure to the benefit of the Debtors, their estates and creditors, the Purchaser and the respective successors and assigns of each of the foregoing.

Transfer of the Assets

10. The conditions of section 363(f) of the Bankruptcy Code have been satisfied in full; therefore, the Debtors may sell the Assets free and clear of any Liens, Claims and/or Interests in the Assets.

11. Except for Permitted Encumbrances only as expressly provided in the Purchase Agreement, pursuant to sections 105(a) and 363(f) of the Bankruptcy Code, upon the Closing, the Assets (and good and marketable title to such Assets) and all of

the Debtors' rights, title and interest therein shall be transferred to the Purchaser free and clear of all Liens, Claims and/or Interests (including, but not limited to those listed on Exhibit A to this Order) with all such Liens, Claims and/or Interests to attach to the net cash proceeds of the Sale Transaction in the order of their priority, with the same validity, force and effect which they now have as against the Assets, subject to any claims and defenses, setoffs or rights of recoupment the Debtors may possess with respect thereto.

12. Pursuant to section 363(f) of the Bankruptcy Code, applicable Florida law, the Declarations, and this Court's Guidelines for the Conduct of Asset Sales, adopted by General Order No. M-383, dated as of November 18, 2009, the Debtors have set forth the legal authority necessary to support this Court's findings regarding the future conduct that may or will take place with respect to certain of the Assets after the date of the Sale Order.

13. Except for Permitted Encumbrances, as expressly provided in the Purchase Agreement, all persons and entities (and their respective successors and assigns) including, but not limited to, all equity security holders, governmental, tax, and regulatory authorities, lenders, trade and other creditors, holding Liens, Claims and/or Interests (whether legal or equitable, secured or unsecured, matured or unmatured, contingent or non-contingent, senior or subordinated) against, in or with respect to the Debtors and/or the Assets arising or accruing under or out of, in connection with, or in any way relating to, the Debtor, the Assets, the operation of the Debtors' business prior to the Closing, or the transfer of the Assets to the Purchaser, hereby are forever barred, estopped, and permanently enjoined from asserting such persons' or entities' Liens, Claims and/or Interests against the Assets or the Purchaser or any of the Purchaser's successors or assigns. Following the Closing Date, no holder of a Lien, Claim and/or

Interest shall interfere with the Purchaser's title to or use and enjoyment of the Assets based on or related to such Lien, Claim and/or Interest or any actions that the Debtors have taken or may take in this Chapter 11 case. Effective upon the Closing, the Purchaser shall have no liability for any claims (as defined in section 101(5) of the Bankruptcy Code) against the Debtors or their estates.

14. The Debtors may sell the Assets free and clear of all Liens, Claims and/or Interests whatsoever against the Debtors, their estates or any of the Assets (except the Assumed Liabilities or as otherwise provided in this Order) because, in each case, one or more of the standards set forth in section 363(f)(1)-(5) of the Bankruptcy Code has been satisfied. Those holders of Liens, Claims and/or Interests against the Debtors, their estates or any of the Assets who did not object, or who withdrew their objections to the Sale Transaction or the Sale Motion are deemed to have consented pursuant to 363(f)(2) of the Bankruptcy Code.

15. The transfer of the Assets to the Purchaser pursuant to the Purchase Agreement constitutes a legal, valid, and effective transfer of the Assets, and shall vest the Purchaser with all right, title, and interest of the Debtors in and to the Assets.

Sale Proceeds

16. The proceeds of the Sale Transaction (including the amount of the Deposit) shall be distributed as follows: first, to pay the costs and expenses incurred by the Debtors in connection with the Sale Transaction (excluding legal fees), including, without limitation, the commission owing to the Debtors' broker, CBRE in the amount of [X], all taxes and/or assessments levied and assessed against the land, which are due and payable, estoppel fees, survey costs, escrow fees, title costs, stamp taxes, transfer taxes, and property prorations due from the Debtors; and second, to PAMI ALI, LLC, the Debtors' post-petition lender and the holder of a first priority senior lien

on the Assets. Any and all valid and perfected Liens, Claims and/or Interests in the Assets shall attach to the proceeds of such Assets immediately upon receipt of such proceeds by the Debtors (or any party acting on any Debtor's behalf) in order of priority, and with the same validity, force and effect which they now have against such Assets, except to the extent modified by the immediately preceding sentence, subject to any rights, claims and defenses the Debtors, the Debtors' estates or any trustee for any Debtor, as applicable, may possess with respect thereto, in addition to any limitations on the use of such proceeds pursuant to any provision of this Sale Order.

No Successor Liability

17. Except for the Assumed Liabilities, the transfer of the Assets to Purchaser shall not result in (i) the Purchaser or the Assets having any liability or responsibility for any Liens, Claims and/or Interests against the Debtors or against an insider of the Debtors, (ii) the Purchaser or the Assets having any liability whatsoever with respect to or be required to satisfy in any manner, whether at law or in equity, whether by payment, setoff or otherwise, directly or indirectly, any Liens, Claims and/or Interests or [Excluded Assets], or (iii) the Purchaser or the Assets, having any liability or responsibility to the Debtors except as is expressly set forth in the Purchase Agreement.

18. Without limiting the generality of the foregoing, and except as otherwise specifically provided herein or in the Agreement, the Purchaser shall not be liable for any claims (as defined in section 101(5) of the Bankruptcy Code) against any of the Debtors or any of their respective predecessors or affiliates, and the Purchaser shall have no successor or vicarious liabilities of any kind of character, including, but not limited to, under any theory of antitrust, environmental, successor or transferee liability, labor law, successor or successor employer liability, de facto merger or joint

venture, mere continuation or substantial continuity, whether known or unknown as of the Closing, now existing or hereafter arising, whether fixed or contingent, whether asserted or unasserted, whether legal or equitable, whether liquidated or unliquidated, including, but not limited to, liabilities on account of warranties, intercompany loans and receivables between any of the Debtors and any non-debtor subsidiary, liabilities relating to or arising from any environmental laws, and any taxes arising, accruing or payable under, out of, in connection with, or in any way relating to the operation of any of the Assets prior to Closing.

19. All persons and entities are hereby forever prohibited and enjoined from taking any action that would adversely affect or interfere with the ability of any of the Debtors to sell and transfer the Assets to the Purchaser in accordance with the terms of the Purchase Agreement and this Order.

20. The Purchaser has given substantial consideration under the Purchase Agreement for the benefit of the Debtors, their estates and creditors. The consideration given by the Purchaser shall constitute valid and valuable consideration for the releases of any potential Liens, Claims and /or Interests pursuant to the Order, which releases shall be deemed to have been given in favor of the Purchaser by all holders of all Liens, Claims and /or Interests against any of the Debtors or any of the Assets. The consideration provided by the Purchaser for the Assets under the Agreement is fair and reasonable and accordingly the purchase may not be avoided under section 363(n) of the Bankruptcy Code.

Assigned Contracts

21. (a) **Authorization.** Subject to the terms of this Section 20, the Debtors are authorized to execute and deliver to the Purchaser such documents or other instruments and to take such other actions as may be necessary to assume and assign

the Assigned Contracts to the Purchaser at Closing. In addition, the Debtors shall, at or prior to Closing, assign the Rental Program Agreements to the Purchaser. The foregoing assignment of the Rental Program Agreements to the Purchaser shall constitute an "Assigned Contract" for all purposes hereunder, including, without limitation, Section 20(c) of this Sale Order.

(b) **Cure Amounts; Adequate Assurances.** Except as may otherwise be agreed to by the parties to an Assigned Contract, at the Closing, the Debtors shall cure those defaults under the Assigned Contracts that need to be cured in accordance with the Purchase Agreement and section 365(b) of the Bankruptcy Code, by payment of (i) the undisputed Cure Amounts in the amounts listed in the Sale Notice as "Cure Amounts," (ii) the amount agreed to by any party to an Assigned Contract and the Debtors, or (iii) the amount ordered by this Court to constitute the Cure Amount for any Assigned Contract after a hearing to consider the objection by a counterparty to an Assigned Contract to the Cure Amount for such Assigned Contract. The payment of the applicable Cure Amounts (if any) by the Debtors will (a) effect a cure of all defaults existing thereunder as of the date that such executory contracts or unexpired leases are assumed and assigned within the meaning of section 365(b)(1)(A) of the Bankruptcy Code or otherwise and (b) compensate for any actual pecuniary loss to such non-Debtor party resulting from such default within the meaning of section 365(b)(1)(B) of the Bankruptcy Code or otherwise, at which time the Purchasers shall then have taken assignment of the Assigned Contracts and, pursuant to section 365(f) of the Bankruptcy Code, the assignment by the Debtors of such Assigned Contracts shall not be a default thereunder. Since the Purchaser has sufficient assets to continue performance under the Assigned Contracts, the Purchaser's promise to perform under the Assigned Contracts

is hereby deemed to constitute adequate assurance of future performance under the Assigned Contracts and any other proposed assignments.

(c) **Assignment Free and Clear of Liens, Claims and/or Interests.** The Assigned Contracts shall be assigned to the Purchaser upon the Closing, free and clear of all Liens, Claims and/or Interests of any kind or nature whatsoever (including, without limitation, any Liens, Claims and/or Interests arising under or related to any of the Canyon Ranch Agreements) other than the Assumed Liabilities, and shall remain in full force and effect for the benefit of the Purchaser and/or its affiliates, as applicable, in accordance with their respective terms, notwithstanding any provision in any such Assigned Contracts (including those of the type described in sections 365(b)(2) and (f) of the Bankruptcy Code) that prohibits, restricts, or conditions any assignment, transfer or sublease.

(d) **Good Faith.** The assignments of each of the Assigned Contracts are made in good faith under sections 363(b) and 363(m) of the Bankruptcy Code.

(e) **Effect of Assumption and Assignment.** Upon the Closing (or, if later, upon the assignment of such Assigned Contract to Purchaser) and the payment of the relevant Cure Amounts by the Debtors, Purchaser shall be deemed to be substituted for the Debtors, as applicable, as a party to the applicable Assigned Contracts and the Debtors shall be released, pursuant to section 365(k) of the Bankruptcy code, to the extent allowable under applicable law, from any liability under the Assigned Contracts but only to the extent any such liability first accrues after the Closing Date; provided, however, that any default, claim, liability or obligation of any kind arising from an event that occurs prior to the Closing that gives rise to a default, claim, liability or obligation or any kind after Closing (e.g., any event that gives rise to

liability after lapse of an applicable cure period) shall be deemed to have accrued prior to Closing for all purposes hereunder); and, provided, further, that the foregoing release of the Debtors by the Purchaser shall apply only with respect to liabilities that are assumed by the Purchaser. There shall be no rent accelerations, assignment fees, increases or any other fees or loss of rights or increase of liabilities under the Assigned Contracts charged to Purchaser solely as a result of the assumption and assignment of the Assigned Contracts. Each counterparty to an Assigned Contract will be forever barred, estopped and permanently enjoined from (i) asserting against the Debtors or the Purchaser, or their respective affiliates, or the property of any of them, any default existing as of Closing; or, against the Purchaser or its affiliates, any counterclaim, defense, setoff or any other Lien, Claim and /or Interest asserted or assertable against the Debtors; and (ii) imposing or charging against Purchaser or its affiliates any accelerations, assignment fees, increases or any other fees or asserting any loss of rights or increase of liabilities under the Assigned Contract solely as a result of the Debtors' assumption and assignment to Purchaser of the Assigned Contract. No counterparty under any Assigned Contract may terminate any such contract, nor shall the Purchaser's rights and obligations under such Assigned Contracts be adversely affected in any way, by reason of any default under such Assigned Contract prior to Closing. To the extent that any counterparty to an Assigned Contract failed to object to any notice of assumption and assignment or to the Cure Amount with respect to such Assigned Contract, such counterparty is deemed to have consented to such Cure Amount and the assignment of such contract to the Purchaser.

(f) **Possible Covenants Attached to the Assets.** The assumption of that certain Declaration of Covenants, Restrictions and Easements for Carillon Hotel and Spa (the "Master Declaration"), which is recorded in Official

Records Book 26080, Page 4905 of the Public Records of Miami-Dade County, Florida, is without prejudice to any party's argument over whether such contract is an "executory contract" subject to assumption or rejection.

Rejected Contracts

22. This Sale Order shall operate as a permanent injunction prohibiting any party to a contract that has been rejected by any of the Debtors (each a "Rejected Party") that in any way relates to the Assets from taking any action against the Purchaser in connection with the Sale Transaction, whether pursuant to the Bankruptcy Code or any other statutory or non-statutory federal, state or local law.

Ipsa Facto Clauses Ineffective

23. Upon the Debtors' assignment of the Assigned Contracts to the Purchaser under the provisions of this Sale Order and any additional order contemplated by this Sale Order or the Purchase Agreement, and subject to the timely payment by the Debtors of the applicable Cure Amount or such other amount as may be agreed to in writing by the parties to an Assigned Contract (provided, however, that the failure of the Debtors to cure any default under an Assigned Contract shall not result in any liability to or obligation of the Purchaser), no default shall exist under any Assigned Contract, and no counterparty to any Assigned Contract shall be permitted to declare a default thereunder, or otherwise take action against the Purchaser, as a result of any Debtor's financial condition, bankruptcy or failure of the Debtor to perform or observe any of its obligations under the relevant Assigned Contract. Any provision in an Assigned Contract that prohibits or conditions an assignment or sublease of such Assigned Contract (including, without limitation, the granting of a lien therein) or allows the counterparty thereto to terminate, recapture, impose any penalty, condition on renewal or extension, or modify any term or condition on account of such

assignment or sublease, constitutes an unenforceable anti-assignment provision in connection with the Sale Transaction that is void and of no force and effect. The failure of the Debtors or the Purchaser to enforce at any time one or more terms or conditions of any Assigned Contract shall not be a waiver of such terms or conditions, or the Debtors' and Purchaser's rights to enforce every term and condition of the Assigned Contract.

No Stay of Order

24. Notwithstanding the provisions of Bankruptcy Rule 6004 and Bankruptcy Rule 6006 or any applicable provisions of the Local Bankruptcy Rules, this Sale Order shall not be stayed for 14 days after the entry hereof, but shall be effective and enforceable immediately upon entry. Time is of the essence in approving the Sale Transaction, and the Debtors and the Purchaser intend to close the Sale Transaction as soon as practicable.

Additional Provisions

25. Without limiting the other terms of this Sale Order, prior to or upon the Closing of the Sale Transaction, each of the Debtors' creditors is authorized and directed to execute such documents and take all other actions as may be necessary to release their Liens, Claims and/or Interests, if any, in the Assets as such Liens, Claims and/or Interests may have been recorded or may otherwise exist.

26. Except for Permitted Encumbrances, only as expressly provided in the Purchase Agreement, this Sale Order (a) shall be effective as a determination that, upon the Closing, all Liens, Claims and/or Interests existing with respect to the Assets prior to the Closing (including, but not limited to those listed on Exhibit A to this Sale Order) have been unconditionally released, discharged and terminated as to the Purchaser and the Assets, and that the conveyances described herein have been

effected, and (b) shall be binding upon all filing agents, filing officers, title agents, title companies, recorders of mortgages, recorders of deeds, registrars of deeds, administrative agencies, governmental departments, secretaries of state, federal, state, and local officials, and all other persons and entities who may be required by operation of law, the duties of their office, or contract, to accept, file, register or otherwise record or release any documents or instruments, or who may be required to report or insure any title or state of title in or to any of the Assets.

27. Each and every federal, state, and local governmental agency or department or office is hereby directed to accept this Sale Order and any and all documents and instruments necessary and appropriate to consummate the transactions contemplated by the Purchase Agreement.

28. Without limiting the other provisions of this Sale Order, if any person or entity that has filed financing statements, mortgages, mechanic's liens, lis pendens or other documents or agreements evidencing interests with respect to the Debtors and/or the Assets shall not have delivered to the Debtors or their designee prior to the Closing, in proper form for filing and executed by the appropriate parties, termination statements, instruments of satisfaction, releases of all Liens, Claims and/or Interests which the person or entity has with respect to the Debtors, the Assets or otherwise, then (a) the Debtors are hereby authorized and directed to execute and file such statements, instruments, releases and other documents on behalf of the person or entity with respect to the Assets and (b) the Purchaser and/or the Debtors are hereby authorized to file, register, or otherwise record a certified copy of this Sale Order, which, once filed, registered, or otherwise recorded, shall constitute conclusive evidence of the release of all Liens, Claims and/or Interests in, against or with respect to the Debtors and/or the Assets. This Sale Order is deemed to be in recordable form

sufficient to be placed in the filing or recording system of each and every federal, state, and local governmental agency, department, or office.

29. From and after the date hereof, no creditor of the Debtors or other party in interest shall take or cause to be taken any action that would interfere with the transfer of the Assets to the Purchaser in accordance with the terms of this Sale Order.

30. This Court hereby retains exclusive jurisdiction, regardless of whether a chapter 11 plan has been confirmed and consummated and irrespective of the provisions of any such plan or order confirming such plan, to enforce and implement the terms and provisions of the Purchase Agreement, all amendments thereto, any waivers and consents thereunder, and of each of the agreements executed in connection therewith in all respects including, but not limited to, retaining jurisdiction to (a) compel delivery of the Assets to the Purchaser in accordance with the terms of the Purchase Agreement, (b) resolve any dispute, controversy or claim arising under or related to the Purchase Agreement, or the breach thereof and (c) interpret, implement, and enforce the provisions of this Sale Order and resolve any disputes related thereto.

31. Nothing contained in any plan confirmed in this Chapter 11 case or any order of this Court confirming such plan shall conflict with or derogate from the provisions of the Purchase Agreement or the terms of this Sale Order.

32. The transactions contemplated by the Purchase Agreement are undertaken by the Purchaser in good faith, as that term is used in section 363(m) of the Bankruptcy Code. The Purchaser is a purchaser in good faith of the Assets and is entitled to all of the protections afforded by section 363(m) of the Bankruptcy Code. Accordingly, any reversal or modification on appeal of the authorization provided herein to consummate the Sale Transaction shall not affect the validity of the Sale Transaction to the Purchaser.

33. The terms and provisions of the Purchase Agreement and this Sale Order shall be binding in all respects upon, and shall inure to the benefit of, the Debtors, their estates and their creditors, the Purchaser, and any of such parties' respective affiliates, designees, successors, and assigns, and shall be binding in all respects upon all of the Debtors' creditors, all prospective and actual bidders for some or all of the Assets, and all persons and entities receiving notice of the Sale Motion, the Auction and/or the Sale Hearing notwithstanding any subsequent appointment of any examiner(s) or receiver(s) under any Chapter of the Bankruptcy Code or any other law, and all such provisions and terms shall likewise be binding on such trustee(s), examiner(s), or receiver(s) and shall not be subject to rejection or avoidance by the Debtors, their estates, their creditors, their members or any examiner(s) or receiver(s).

34. The failure specifically to include any particular provision of the Purchase Agreement in this Sale Order shall not diminish or impair the effectiveness of such provision, it being the intent of this Court that the Purchase Agreement be authorized and approved in its entirety.

35. All time periods set forth in this Order shall be calculated in accordance with Bankruptcy Rule 9006(a).

[continued on the following page]

36. The Purchase Agreement and any related agreements, documents, or other instruments may be modified, amended, or supplemented by the parties thereto, in a writing signed by both parties, and in accordance with the terms thereof, without further order of this Court, provided that any such modification, amendment or supplement does not have a material adverse effect on the Debtors' estates.

The Contractor shall also be responsible to Owner for assuring that the Work is performed in strict accordance and as required by the Contract Documents. Materials which are not shown on the Drawings shall be suitable for the intended use, and shall be subject to review and approval by Owner and Architect for consistency with the intent of the Contract Documents. § 1.3 The documents comprising the Drawings and the other Contract Documents shall be deemed to be cumulative, and if there shall be a conflict or ambiguity between or among the Drawings or if a discrepancy shall arise between the Specifications and existing conditions at the Project, the Contractor shall immediately notify Architect of such fact when it becomes aware of same and, thereafter, the Owner, in consultation with the Architect and the Contractor, shall determine the appropriate course of action to follow and advise the Contractor accordingly. In the event any provision in this Agreement conflicts with or is inconsistent with any provision contained in the Contract Documents, the Contractor shall immediately notify Architect and Owner and the parties will endeavor to reach agreement as to the applicable provision. Any Work relating to such conflict, ambiguity or discrepancy which is knowingly performed by the Contractor prior to the Owner's resolution thereof shall be at the Contractor's sole risk and expense.

The Contractor accepts full responsibility for all conditions at the premises that may affect the Contractor's performance.

ARTICLE 7 GENERAL PROVISIONS

§ 7.1 THE CONTRACT DOCUMENTS

The Contract Documents are enumerated in Article 6 and consist of this Agreement (including, if applicable, Supplementary and other Conditions of the Contract), Drawings, Specifications, Addenda issued prior to the execution of this Agreement, other documents listed in this Agreement and Modifications issued after execution of this Agreement. A Modification is (1) a written amendment to the Contract signed by both parties, (2) a Change Order, (3) a Construction Change Directive or (4) a written order for a minor change in the Work issued by the Architect. The intent of the Contract Documents is to include all items necessary for the proper execution and completion of the Work by the Contractor. The Contract Documents are complementary, and what is required by one shall be as binding as if required by all; performance by the Contractor shall be required to the extent consistent with the Contract Documents and reasonably inferable from them as being necessary to produce the indicated results.

§ 7.2 THE CONTRACT

The Contract Documents form the Contract for Construction. The Contract represents the entire and integrated agreement between the parties hereto and supersedes prior negotiations, representations or agreements, either written or oral. The Contract may be amended or modified only by a Modification. The Contract Documents shall not be construed to create a contractual relationship of any kind between any persons or entities other than the Owner and the Contractor.

§ 7.3 THE WORK

The term "Work" means the construction and services required by the Contract Documents, whether completed or partially completed, and includes all other labor, materials, equipment and services provided or to be provided by the Contractor to fulfill the Contractor's obligations. The Work may constitute the whole or a part of the Project.

§ 7.4 INSTRUMENTS OF SERVICE

Instruments of Service are representations, in any medium of expression now known or later developed, of the tangible and intangible creative work performed by the Architect and the Architect's consultants under their respective professional services agreements. Instruments of Service may include, without limitation, studies, surveys, models, sketches, drawings, specifications, and other similar materials.

§ 7.5 OWNERSHIP AND USE OF DRAWINGS, SPECIFICATIONS AND OTHER INSTRUMENTS OF SERVICE

§ 7.5.1 The Architect and the Architect's consultants shall be deemed the authors and owners of their respective Instruments of Service, including the Drawings and Specifications, and will retain all common law, statutory and other reserved rights, including copyrights. The Contractor, the Subcontractors, the Sub-subcontractors, and material or equipment suppliers shall not own or claim a copyright in the Instruments of Service. Submittal or distribution to meet official regulatory requirements or for other purposes in connection with this Project is not to be construed as publication in derogation of the Architect's or Architect's consultants' reserved rights.

§ 7.5.2 Pursuant to Owner's exclusive license to use the Architect's Instruments of Service solely and exclusively for purposes of constructing, using, maintaining, altering and adding to the Project, the Contractor, the Subcontractors, the Sub-subcontractors and material or equipment suppliers are authorized by the Owner to use and reproduce the Instruments of Service provided to them solely and exclusively for execution of the Work. All copies made under this authorization shall bear the copyright notice, if any, shown on the Instruments of Service. The Contractor, the Subcontractors, the Sub-subcontractors, and material or equipment suppliers may not use the Instruments of Service on other projects or for additions to this Project outside the scope of the Work without the specific written consent of the Owner, Architect and the Architect's consultants.

§ 7.6 TRANSMISSION OF DATA IN DIGITAL FORM

If the parties intend to transmit Instruments of Service or any other information or documentation in digital form, they shall endeavor to establish necessary protocols governing such transmission, unless otherwise provided in the Agreement or in the Contract Documents.

ARTICLE 8 OWNER

§ 8.1 INFORMATION AND SERVICES REQUIRED OF THE OWNER

§ 8.1.1 The Owner shall furnish all necessary surveys and a legal description of the site.

§ 8.1.2 The Contractor shall be entitled to rely on the accuracy of information furnished by the Owner but shall exercise proper precautions relating to the safe performance of the Work.

§ 8.1.3 Except for permits and fees that are the responsibility of the Contractor under the Contract Documents, including those required under Section 9.6.1, the Owner shall secure and pay for other necessary approvals, easements, assessments and charges required for the construction, use or occupancy of permanent structures or for permanent changes in existing facilities.

§ 8.2 OWNER'S RIGHT TO STOP THE WORK

If the Contractor fails to correct Work which is not in accordance with the requirements of the Contract Documents, or repeatedly fails to carry out the Work in accordance with the Contract Documents, the Owner may issue a written order to the Contractor to stop the Work, or any portion thereof, until the cause for such order is eliminated; however, the right of the Owner to stop the Work shall not give rise to a duty on the part of the Owner to exercise this right for the benefit of the Contractor or any other person or entity.

§ 8.3 OWNER'S RIGHT TO CARRY OUT THE WORK

If the Contractor defaults or neglects to carry out the Work in accordance with the Contract Documents, and fails within a ten-day period after receipt of written notice from the Owner to commence and continue correction of such default or neglect with diligence and promptness, the Owner, without prejudice to any other remedy the Owner may have, may correct such deficiencies and may deduct the reasonable cost thereof, including Owner's expenses and compensation for the Architect's services made necessary thereby, from the payment then or thereafter due the Contractor.

ARTICLE 9 CONTRACTOR

§ 9.1 REVIEW OF CONTRACT DOCUMENTS AND FIELD CONDITIONS BY CONTRACTOR

§ 9.1.1 Execution of the Contract by the Contractor is a representation that the Contractor has visited the site, become generally familiar with local conditions under which the Work is to be performed and correlated personal observations with requirements of the Contract Documents.

§ 9.1.2 Because the Contract Documents are complementary, the Contractor shall, before starting each portion of the Work, carefully study and compare the various Contract Documents relative to that portion of the Work, as well as the information furnished by the Owner pursuant to Section 8.1.1, shall take field measurements of any existing conditions related to that portion of the Work and shall observe any conditions at the site affecting it. These obligations are for the purpose of facilitating coordination, and reviewing for constructability by the Contractor. The Contractor shall promptly report to the Architect any errors, inconsistencies, or omissions discovered by or made known to the Contractor as a request for information in such form as the Architect may require. It is recognized that the Contractor's review is made in the Contractor's capacity as a contractor and not as a licensed design professional unless otherwise specifically provided in the Contract Documents.

§ 9.1.3 The Contractor is not required to ascertain that the Contract Documents are in accordance with applicable laws, statutes, ordinances, codes, rules and regulations, or lawful orders of public authorities, but the Contractor shall promptly report to the Architect any nonconformity discovered by or made known to the Contractor as a request for information in such form as the Architect may require.

§ 9.2 SUPERVISION AND CONSTRUCTION PROCEDURES

§ 9.2.1 The Contractor shall supervise and direct the Work, using the Contractor's best skill and attention. The Contractor shall be solely responsible for and have control over construction means, methods, techniques, sequences and procedures, and for coordinating all portions of the Work under the Contract, unless the Contract Documents give other specific instructions concerning these matters.

§ 9.2.2 The Contractor shall be responsible to the Owner for acts and omissions of the Contractor's employees, the Subcontractors and their agents and employees, and other persons or entities performing portions of the Work for or on behalf of the Contractor or any of its Subcontractors.

§ 9.2.3 The Contractor shall employ a full-time construction supervisor at the Project for the coordination and supervision of the Work, and who shall not, while in the Contractor's employ, be replaced without the Owner's consent. The Contractor shall remove any employee from the Project upon reasonable objection from the Owner.

§ 9.2.4 The Contractor shall hold regularly scheduled job meetings attended by the Contractor and its Subcontractors, the Owner and the Architect to discuss procedures, progress, problems, scheduling and open items.

§ 9.3 LABOR AND MATERIALS

§ 9.3.1 Unless otherwise provided in the Contract Documents, the Contractor shall provide and pay for labor, materials, equipment, tools, construction equipment and machinery, water, heat, utilities, transportation, and other facilities and services necessary for proper execution and completion of the Work whether temporary or permanent and whether or not incorporated or to be incorporated in the Work.

§ 9.3.2 The Contractor shall enforce strict discipline and good order among the Contractor's employees and other persons carrying out the Work. The Contractor shall not permit employment of unfit persons or persons not skilled in tasks assigned to them. The Contractor shall maintain labor peace and harmony on the Project and shall adopt and implement policies and practices designed to avoid work stoppages, slowdowns, disputes or strikes.

§ 9.3.3 The Contractor may make a substitution only with the consent of the Owner, after evaluation by the Architect and in accordance with a Modification.

§ 9.4 WARRANTY

The Contractor warrants to the Owner and Architect that materials and equipment furnished under the Contract will be of good quality and new unless the Contract Documents require or permit otherwise. The Contractor further warrants that the Work will conform to the requirements of the Contract Documents and will be free from defects, except for those inherent in the quality of the Work the Contract Documents require or permit. Work, materials, or equipment not conforming to these requirements may be considered defective. The Contractor's warranty excludes remedy for damage or defect caused by abuse, alterations to the Work not executed by the Contractor, improper or insufficient maintenance, improper operation or normal wear and tear under normal usage.

§ 9.5 TAXES

The Contractor shall pay sales, consumer, use and other similar taxes that are legally enacted when bids are received or negotiations concluded, whether or not yet effective or merely scheduled to go into effect.

§ 9.6 PERMITS, FEES, NOTICES, AND COMPLIANCE WITH LAWS

§ 9.6.1 Unless otherwise provided in the Contract Documents, the Contractor shall secure and pay for the building permit as well as other permits, fees, licenses and inspections by government agencies necessary for proper execution and completion of the Work that are customarily secured after execution of the Contract and legally required at the time bids are received or negotiations concluded.

§ 9.6.2 The Contractor shall comply with and give notices required by applicable laws, statutes, ordinances, codes, rules, and regulations, and lawful orders of public authorities applicable to performance of the Work. If the Contractor performs Work knowing it to be contrary to applicable laws, statutes, ordinances, codes, rules and regulations, or lawful orders of public authorities, the Contractor shall assume appropriate responsibility for such Work and shall bear the costs attributable to correction.

§ 9.7 ALLOWANCES

The Contractor shall include in the Contract Sum all allowances stated in the Contract Documents. The Owner shall select materials and equipment under allowances with reasonable promptness. Allowance amounts shall include the costs to the Contractor of materials and equipment delivered at the site and all required taxes, less applicable trade discounts. Allowance amounts shall not include the Contractor's costs for unloading and handling at the site, labor, installation, overhead, and profit.

§ 9.8 CONTRACTOR'S CONSTRUCTION SCHEDULES

§ 9.8.1 Upon execution, the Contractor shall submit for the Owner's and the Architect's approval a Contractor's construction schedule for the Work. The schedule shall not exceed time limits current under the Contract Documents,

shall be revised at appropriate intervals as required by the conditions of the Work and Project, shall be related to the entire Project to the extent required by the Contract Documents, and shall provide for expeditious and practicable execution of the Work.

§ 9.8.2 The Contractor shall perform the Work in general accordance with the most recent schedule submitted to the Owner and Architect.

§ 9.9 SUBMITTALS

§ 9.9.1 The Contractor shall review for compliance with the Contract Documents and submit to the Architect Shop Drawings, Product Data, Samples and similar submittals required by the Contract Documents in coordination with the Contractor's construction schedule and in such sequence as to allow the Architect reasonable time for review. By submitting Shop Drawings, Product Data, Samples and similar submittals, the Contractor represents to the Owner and Architect that the Contractor has (1) reviewed and approved them; (2) determined and verified materials, field measurements and field construction criteria related thereto, or will do so; and (3) checked and coordinated the information contained within such submittals with the requirements of the Work and of the Contract Documents. The Work shall be in accordance with approved submittals.

§ 9.9.2 Shop Drawings, Product Data, Samples and similar submittals, when approved by the Architect, are Contract Documents.

§ 9.10 USE OF SITE

The Contractor shall confine operations at the site to areas permitted by applicable laws, statutes, ordinances, codes, rules and regulations, lawful orders of public authorities, and the Contract Documents and shall not unreasonably encumber the site with materials or equipment.

§ 9.11 CUTTING AND PATCHING

The Contractor shall be responsible for cutting, fitting or patching required to complete the Work or to make its parts fit together properly.

§ 9.12 CLEANING UP

The Contractor shall keep the premises and surrounding area free from accumulation of waste materials or rubbish caused by operations under the Contract. At completion of the Work, the Contractor shall remove waste materials, rubbish, the Contractor's tools, construction equipment, machinery and surplus material from and about the Project.

§ 9.13 ROYALTIES, PATENTS AND COPYRIGHTS

The Contractor shall pay all royalties and license fees. The Contractor shall defend suits or claims for infringement of copyrights and patent rights and shall hold the Owner and Architect harmless from loss on account thereof, but shall not be responsible for such defense or loss when a particular design, process or product of a particular manufacturer or manufacturers is required by the Contract Documents or where the copyright violations are contained in Drawings, Specifications or other documents prepared by the Owner or Architect. However, if the Contractor has reason to believe that the required design, process or product is an infringement of a copyright or a patent, the Contractor shall be responsible for such loss unless such information is promptly furnished to the Architect.

§ 9.14 ACCESS TO WORK

The Contractor shall provide the Owner and Architect access to the Work in preparation and progress wherever located.

§ 9.15 INDEMNIFICATION See Contractor's Indemnity and Insurance Requirements (Exhibit B).
(Paragraph deleted)

§ 9.15.2 In claims against any person or entity indemnified under Exhibit B by an employee of the Contractor, a Subcontractor, anyone directly or indirectly employed by them or anyone for whose acts they may be liable, the indemnification obligation under Exhibit B shall not be limited by a limitation on amount or type of damages, compensation or benefits payable by or for the Contractor or the Subcontractor under workers' compensation acts, disability benefit acts or other employee benefit acts.

ARTICLE 10 ARCHITECT

§ 10.1 The Architect will provide administration of the Contract and will be an Owner's representative during construction, until the date the Architect issues the final Certificate for Payment. The Architect will have authority to act on behalf of the Owner only to the extent provided in the Contract Documents, unless otherwise modified in writing in accordance with other provisions of the Contract.

§ 10.2 The Architect will visit the site at intervals appropriate to the stage of the construction to become generally familiar with the progress and quality of the portion of the Work completed, and to determine in general, if the Work observed is being performed in a manner indicating that the Work, when fully completed, will be in accordance with the Contract Documents. However, the Architect will not be required to make exhaustive or continuous on-site inspections to check the quality or quantity of the Work. The Architect will not have control over, charge of, or responsibility for, the construction means, methods, techniques, sequences or procedures, or for safety precautions and programs in connection with the Work, since these are solely the Contractor's rights and responsibilities under the Contract Documents.

§ 10.3 On the basis of the site visits, the Architect will keep the Owner reasonably informed about the progress and quality of the portion of the Work completed, and report to the Owner (1) known deviations from the Contract Documents and from the most recent construction schedule submitted by the Contractor, and (2) defects and deficiencies observed in the Work. The Architect will not be responsible for the Contractor's failure to perform the Work in accordance with the requirements of the Contract Documents. The Architect will not have control over or charge of and will not be responsible for acts or omissions of the Contractor, the Subcontractors, or their agents or employees, or any other persons or entities performing portions of the Work.

§ 10.4 Based on the Architect's evaluations of the Work and of the Contractor's Applications for Payment, the Architect will review and certify the amounts due the Contractor and will issue Certificates for Payment in such amounts.

§ 10.5 The Architect has authority to reject Work that does not conform to the Contract Documents and to require inspection or testing of the Work.

§ 10.6 The Architect will review and approve or take other appropriate action upon the Contractor's submittals such as Shop Drawings, Product Data and Samples, but only for the limited purpose of checking for conformance with information given and the design concept expressed in the Contract Documents.

§ 10.7 The Architect will interpret and decide matters concerning performance under, and requirements of, the Contract Documents on written request of either the Owner or the Contractor. The Architect will make initial decisions on all claims, disputes and other matters in question between the Owner and the Contractor but will not be liable for results of any interpretations or decisions rendered in good faith.

(Paragraph deleted)

§ 10.9 Duties, responsibilities and limitations of authority of the Architect as set forth in the Contract Documents shall not be restricted, modified or extended without written consent of the Owner, the Contractor and the Architect. Consent shall not be unreasonably withheld.

ARTICLE 11 SUBCONTRACTORS

§ 11.1 A Subcontractor is a person or entity who has a direct contract with the Contractor to perform a portion of the Work at the site.

§ 11.2 Unless otherwise stated in the Contract Documents or the bidding requirements, the Contractor, as soon as practicable after award of the Contract, shall furnish in writing to the Owner all contracts ("Subcontracts") and purchase orders with Subcontractors or suppliers for each of the principal portions of the Work, together with names of all manufacturers proposed to be used. The Contractor shall not contract with any Subcontractor or supplier to whom the Owner or Architect has made reasonable written objection within ten days after receipt of the Subcontracts and purchase orders. If the proposed but rejected Subcontractor was reasonably capable of performing the Work, the Contract Sum and Contract Time shall be increased or decreased by the difference, if any, occasioned by such change, and an appropriate Change Order shall be issued before commencement of the substitute Subcontractor's Work. The Contractor shall not be required to contract with anyone to whom the Contractor has made reasonable objection.

§ 11.3 Contracts between the Contractor and the Subcontractors shall (1) require each Subcontractor, to the extent of the Work to be performed by the Subcontractor, to be bound to the Contractor by the terms of the Contract Documents, and to assume toward the Contractor all the obligations and responsibilities, including the responsibility for safety of the Subcontractor's Work, which the Contractor, by the Contract Documents, assumes toward the Owner and Architect, (2) allow the Subcontractor the benefit of all rights, remedies and redress against the Contractor that the Contractor, by these Contract Documents, has against the Owner, and (3) be conditionally assigned to the Owner.

§ 11.4 The Owner may communicate with the Subcontractors and suppliers for the purpose of verifying amounts due and paid for work performed. At the request of the Owner, the Contractor shall provide the Owner with evidence of payments made to the Subcontractors and suppliers.

ARTICLE 12 CONSTRUCTION BY OWNER OR BY SEPARATE CONTRACTORS

§ 12.1 The Owner reserves the right to perform construction or operations related to the Project with the Owner's own forces, and to award separate contracts in connection with other portions of the Project or other construction or operations on the site under conditions of the contract identical or substantially similar to these, including those portions related to insurance and waiver of subrogation. If the Contractor claims that delay or additional cost is involved because of such action by the Owner, the Contractor shall make such claim as provided in Article 21.

§ 12.2 The Contractor shall afford the Owner and separate contractors reasonable opportunity for introduction and storage of their materials and equipment and performance of their activities, and shall connect and coordinate the Contractor's activities with theirs as required by the Contract Documents.

§ 12.3 The Owner shall be reimbursed by the Contractor for costs incurred by the Owner which are payable to a separate contractor because of delays, improperly timed activities or defective construction of the Contractor. The Owner shall be responsible to the Contractor for costs incurred by the Contractor because of delays, improperly timed activities, damage to the Work or defective construction of a separate contractor.

ARTICLE 13 CHANGES IN THE WORK

§ 13.1 By appropriate Modification, changes in the Work may be accomplished after execution of the Contract. The Owner, without invalidating the Contract, may order changes in the Work within the general scope of the Contract consisting of additions, deletions or other revisions, with the Contract Sum and Contract Time being adjusted accordingly. Such changes in the Work shall be authorized by written Change Order signed by the Owner, the Contractor and the Architect, or by written Construction Change Directive signed by the Owner and the Architect. NO WORK SHALL BE PERFORMED (INCLUDING OVERTIME WORK) AND THE CONTRACTOR SHALL MAKE NO CLAIM FOR ADDITIONAL COMPENSATION UNLESS A CHANGE ORDER OR CONSTRUCTION CHANGE DIRECTIVE, CONTAINING EITHER THE ACTUAL COST OF THE WORK OR THE METHOD FOR DETERMINING THE COST, IS SIGNED BY THE OWNER AND THE CONTRACTOR.

§ 13.2 Adjustments in the Contract Sum resulting from a change in the Work shall be determined in accordance with Exhibit A, inclusive of the Contractor's general conditions costs, overhead and profit. The Architect will make an interim determination of the amount of payment due for purposes of certifying the Contractor's monthly Application for Payment.

§ 13.3 The Architect will have authority to order minor changes in the Work not involving adjustment in the Contract Sum or extension of the Contract Time and not inconsistent with the intent of the Contract Documents. Such changes shall be effected by written order and shall be binding on the Owner and the Contractor. The Contractor shall carry out such written orders promptly.

§ 13.4 If concealed or unknown physical conditions are encountered at the site that differ materially from those indicated in the Contract Documents or from those conditions ordinarily found to exist, the Contract Sum and Contract Time shall be equitably adjusted as mutually agreed between the Owner and the Contractor, provided that the Contractor provides notice to the Owner and the Architect promptly and before conditions are disturbed.

ARTICLE 14 TIME

§ 14.1 Time limits stated in the Contract Documents are of the essence of the Contract. By executing the Agreement the Contractor confirms that the Contract Time is a reasonable period for performing the Work.

§ 14.2 Unless otherwise provided, Contract Time is the period of time, including authorized adjustments, allotted in the Contract Documents for Substantial Completion of the Work.

§ 14.3 The term "day" as used in the Contract Documents shall mean calendar day unless otherwise specifically defined.

§ 14.4 The date of Substantial Completion is the date certified by the Architect in accordance with Section 15.4.3.

§ 14.5 If the Contractor is delayed at any time in the commencement or progress of the Work by changes ordered in the Work, by labor disputes, fire, unusual delay in deliveries, abnormal adverse weather conditions not reasonably anticipatable, unavoidable casualties or any causes beyond the Contractor's control, or by other causes which the Architect determines may justify delay, then the Contract Time shall be extended by Change Order for such reasonable time as the Architect may determine, subject to the provisions of Article 21. An extension of the Contract Time shall be the Contractor's sole remedy for delay.

ARTICLE 15 PAYMENTS AND COMPLETION

§ 15.1 APPLICATIONS FOR PAYMENT

§ 15.1.1 The Contractor shall submit to the Architect, before the first Application for Payment, a schedule of values, allocating the entire Contract Sum to the various portions of the Work, utilizing AIA forms G702 and G703, and supported by such data to substantiate its accuracy as the Architect may require. This schedule, unless objected to by the Architect, shall be used in reviewing the Contractor's Applications for Payment.

§ 15.1.2 With each Application for Payment the Contractor and its subcontractors shall submit progress lien waivers in the forms attached as Exhibit D.

§ 15.1.3 Payments shall be made on account of materials and equipment delivered and suitably stored at the site for subsequent incorporation in the Work. If approved in advance by the Owner, payment may similarly be made for materials and equipment stored, and protected from damage, off the site at a location agreed upon in writing.

§ 15.1.4 The Contractor warrants that title to all Work covered by an Application for Payment will pass to the Owner no later than the time of payment. The Contractor further warrants that upon submittal of an Application for Payment all Work for which Certificates for Payment have been previously issued and payments received from the Owner shall, to the best of the Contractor's knowledge, information and belief, be free and clear of liens, claims, security interests or other encumbrances adverse to the Owner's interests.

§ 15.2 CERTIFICATES FOR PAYMENT

§ 15.2.1 The Architect will, with approval of the Owner, within ten (10) business days after receipt of the Contractor's Application for Payment, issue a Certificate for Payment, to the Contractor, for such amount as the Architect and Owner determines is properly due, based upon the quality and progress of the Work. The Architect will also notify the Contractor in writing of the Architect's and/or the Owner's reasons for withholding certification in whole or in part as provided in Section 15.2.3 and (a) set forth the amount to be paid to the Contractor, and (b) describe those items in the Application for Payment which are not approved. In determining the amount to be paid to the Contractor, the Owner may either withhold (a) sums that are sufficient to pay the costs and expense the Owner reasonably expects to incur in order to cure any items described in the Certificate for Payment or (b) an amount not to exceed the line item amount appearing in the agreed schedule of values, including change orders, relating to the disapproved Work (together with an amount sufficient to cover liquidated damages, if any and such other damages as the Owner may incur as a result of the items described in Subsection 15.2.3).

§ 15.2.2 The issuance of a Certificate for Payment will constitute a representation by the Architect to the Owner, based on the Architect's evaluations of the Work and the data comprising the Application for Payment, that, to the best of the Architect's knowledge, information and belief, the Work has progressed to the point indicated and that the quality of the Work is in accordance with the Contract Documents. The foregoing representations are subject to an evaluation of the Work for conformance with the Contract Documents upon Substantial Completion, to results of subsequent tests and inspections, to correction of minor deviations from the Contract Documents prior to completion and to specific qualifications expressed by the Architect. The issuance of a Certificate for Payment will further constitute a representation by the Architect that the Contractor is entitled to payment in the amount certified. However, the

issuance of a Certificate for Payment will not be a representation that the Architect has (1) made exhaustive or continuous on-site inspections to check the quality or quantity of the Work, (2) reviewed construction means, methods, techniques, sequences or procedures, (3) reviewed copies of requisitions received from the Subcontractors and material suppliers and other data requested by the Owner to substantiate the Contractor's right to payment, or (4) made examination to ascertain how or for what purpose the Contractor has used money previously paid on account of the Contract Sum.

§ 15.2.3 The Architect may withhold a Certificate for Payment in whole or in part, to the extent reasonably necessary to protect the Owner, if in the Architect's opinion the representations to the Owner required by Section 15.2.2 cannot be made. If the Architect is unable to certify payment in the amount of the Application, the Architect will notify the Contractor and the Owner as provided in Section 15.2.1. If the Contractor and the Architect cannot agree on a revised amount, the Architect will promptly issue a Certificate for Payment for the amount for which the Architect is able to make such representations to the Owner. The Architect may also withhold a Certificate for Payment or, because of subsequently discovered evidence, may nullify the whole or a part of a Certificate for Payment previously issued, to such extent as may be necessary in the Architect's opinion to protect the Owner from loss for which the Contractor is responsible, including loss resulting from acts and omissions described in Section 9.2.2, because of

- .1 defective Work not remedied;
- .2 third party claims (including mechanic's liens) and municipal violations filed or reasonable evidence indicating probable filing of such claims unless security acceptable to the Owner is provided by the Contractor;
- .3 failure of the Contractor to make payments properly to the Subcontractors or for labor, materials or equipment;
- .4 reasonable evidence that the Work cannot be completed for the unpaid balance of the Contract Sum;
- .5 damage to the Owner or a separate contractor;
- .6 reasonable evidence that the Work will not be completed within the Contract Time and that the unpaid balance would not be adequate to cover actual or liquidated damages for the anticipated delay; or
- .7 repeated failure to carry out the Work in accordance with the Contract Documents.

The Owner may also disapprove payment on the foregoing grounds.

§ 15.2.4 When the above reasons for withholding certification are removed, certification will be made for amounts previously withheld.

§ 15.2.5 The Owner shall pay the Contractor the approved amount set forth in the Certificate for Payment within thirty (30) days after the issuance of the Certificate for Payment.

§ 15.3 PROGRESS PAYMENTS

§ 15.3.1 The Contractor shall pay each Subcontractor, no later than seven days after receipt of payment, the amount to which the Subcontractor is entitled, reflecting percentages actually retained from payments to the Contractor on account of the Subcontractor's portion of the Work. The Contractor shall, by appropriate agreement with each Subcontractor, require each Subcontractor to make payments to sub-subcontractors in similar manner.

§ 15.3.2 Neither the Owner nor Architect shall have an obligation to pay or see to the payment of money to a Subcontractor except as may otherwise be required by law. In the event that Contractor fails to pay to any Subcontractor the amount to which such Subcontractor is entitled, Owner may elect to make payment to the Subcontractor to satisfy the Contractor's obligation and such payment by the Owner to the Subcontractor will not preclude Owner from any rights to obtain reimbursement from the Contractor for the amount paid.

§ 15.3.3 A Certificate for Payment, a progress payment, or partial or entire use or occupancy of the Project by the Owner shall not constitute acceptance of Work not in accordance with the Contract Documents.

§ 15.4 SUBSTANTIAL COMPLETION

§ 15.4.1 Substantial Completion is the stage in the progress of the Work when the Work or designated portion thereof is sufficiently complete in accordance with the Contract Documents so that the Owner can occupy or utilize the Work for its intended use.

§ 15.4.2 When the Contractor considers that the Work, or a portion thereof which the Owner agrees to accept separately, is substantially complete, the Architect shall prepare and submit to the Contractor a comprehensive list of items to be completed or corrected prior to final payment but in no event more than thirty (30) days after receipt of the list. Pending completion of the items, a sum equivalent to two hundred percent (200%) of the cost to complete the items, as determined by the Architect, shall be withheld from the Contractor in lieu of the retainage pursuant to Section 4.1.4. Failure to include an item on such list does not alter the responsibility of the Contractor to complete all Work in accordance with the Contract Documents.

§ 15.4.3 Upon receipt of the Contractor's list, the Architect will make an inspection to determine whether the Work or designated portion thereof is substantially complete. When the Architect determines that the Work or designated portion thereof is substantially complete, the Architect will issue a Certificate of Substantial Completion which shall establish the date of Substantial Completion, establish responsibilities of the Owner and the Contractor for security, maintenance, heat, utilities, damage to the Work and insurance, and fix the time within which the Contractor shall finish all items on the list accompanying the Certificate. Warranties required by the Contract Documents shall commence on the date of Substantial Completion of the Work or designated portion thereof unless otherwise provided in the Certificate of Substantial Completion.

§ 15.4.4 The Certificate of Substantial Completion shall be submitted to the Owner and the Contractor for their written acceptance of responsibilities assigned to them in such Certificate. Upon such acceptance and consent of surety, if any, the Owner shall make payment of retainage applying to such Work or designated portion thereof. Such payment shall be adjusted for Work that is incomplete or not in accordance with the requirements of the Contract Documents.

§ 15.5 FINAL COMPLETION AND FINAL PAYMENT

§ 15.5.1 Upon receipt of the Contractor's written notice that the Work is ready for final inspection and acceptance and upon receipt of a final Application for Payment, the Architect will promptly make such inspection and, when the Architect finds the Work acceptable under the Contract Documents and the Contract fully performed, the Architect will promptly issue a final Certificate for Payment stating that to the best of the Architect's knowledge, information and belief, and on the basis of the Architect's on-site visits and inspections, the Work has been completed in accordance with terms and conditions of the Contract Documents and that the entire balance found to be due the Contractor and noted in the final Certificate is due and payable. The Architect's final Certificate for Payment will constitute a further representation that conditions stated in Section 15.5.2 as precedent to the Contractor's being entitled to final payment have been fulfilled.

§ 15.5.2 Final payment shall be made in accordance with Subsection 15.2.5. Neither final payment nor any remaining retained percentage shall become due until the Contractor complies with the provision of Subsection 4.2.1 and submits to the Owner (i) final lien waivers and releases in the forms attached as Exhibit D for itself and its Subcontractors; (ii) such other documentation specified by the Owner including, if applicable, a certificate of occupancy for the Project; and (iii) as-built drawings in CADD format prepared by the Contractor and, as applicable, the HVAC plumbing, sprinkler and electrical Subcontractors. If a Subcontractor refuses to furnish a release or waiver required by the Owner, the Contractor shall furnish a bond satisfactory to the Owner. If such lien remains unsatisfied after payments are made, the Contractor shall indemnify and hold the Owner harmless from all claims and damages, and refund to the Owner all money that the Owner may be compelled to pay in discharging such lien, including all costs and reasonable attorneys' fees.

(Paragraphs deleted)

§ 15.5.4 Acceptance of final payment by the Contractor, a Subcontractor or material supplier shall constitute a waiver of claims by that payee except those previously made in writing and identified by that payee as unsettled at the time of final Application for Payment. In no event shall the Contractor commence an action against the Owner more than one year following Final Payment or the termination of this Agreement, whichever is earlier.

ARTICLE 16 PROTECTION OF PERSONS AND PROPERTY

§ 16.1 SAFETY PRECAUTIONS AND PROGRAMS

The Contractor shall be responsible for initiating, maintaining and supervising all safety precautions and programs in connection with the performance of the Contract. The Contractor shall take reasonable precautions for safety of, and shall provide reasonable protection to prevent damage, injury or loss to

- 1 employees on the Work and other persons who may be affected thereby;

- .2 the Work and materials and equipment to be incorporated therein (including the Contractors equipment), whether in storage on or off the site, under care, custody or control of the Contractor or the Contractor's Subcontractors or Sub-subcontractors; and
- .3 other property at the site or adjacent thereto, such as trees, shrubs, lawns, walks, pavements, roadways, structures and utilities not designated for removal, relocation or replacement in the course of construction.

The Contractor shall comply with and give notices required by applicable laws, statutes, ordinances, codes, rules and regulations, and lawful orders of public authorities bearing on safety of persons and property and their protection from damage, injury or loss. The Contractor shall promptly remedy damage and loss to property caused in whole or in part by the Contractor, a Subcontractor, a sub-subcontractor, or anyone directly or indirectly employed by any of them, or by anyone for whose acts they may be liable and for which the Contractor is responsible under Sections 16.1.2 and 16.1.3, except for damage or loss attributable to acts or omissions of the Owner or Architect or by anyone for whose acts either of them may be liable, and not attributable to the fault or negligence of the Contractor. The foregoing obligations of the Contractor are in addition to the Contractor's obligations under Section 9.15.

§ 16.2 HAZARDOUS MATERIALS

§ 16.2.1 The Contractor is responsible for compliance with the requirements of the Contract Documents regarding hazardous materials. If the Contractor encounters a hazardous material or substance not addressed in the Contract Documents, and if reasonable precautions will be inadequate to prevent foreseeable bodily injury or death to persons resulting from a material or substance, including but not limited to asbestos or polychlorinated biphenyl (PCB), encountered on the site by the Contractor, the Contractor shall, upon recognizing the condition, immediately stop Work in the affected area and report the condition to the Owner and Architect in writing. When the material or substance has been rendered harmless, Work in the affected area shall resume upon written agreement of the Owner and the Contractor. By Change Order, the Contract Time shall be extended appropriately and the Contract Sum shall be increased in the amount of the Contractor's reasonable additional costs of shutdown, delay and start-up.

(Paragraph deleted)

§ 16.2.3 If, without negligence on the part of the Contractor, the Contractor is held liable by a government agency for the cost of remediation of a hazardous material or substance solely by reason of performing Work as required by the Contract Documents, the Owner shall indemnify the Contractor for all cost and expense thereby incurred.

ARTICLE 17 INSURANCE AND BONDS See Contractor's Indemnity and Insurance Requirements (Exhibit B).

(Paragraph deleted)

§ 17.2 OWNER'S LIABILITY INSURANCE

The Owner shall be responsible for purchasing and maintaining the Owner's usual liability insurance.

§ 17.3 PROPERTY INSURANCE

§ 17.3.1 Unless otherwise provided, the Owner shall purchase and maintain, in a company or companies lawfully authorized to do business in the jurisdiction in which the Project is located, property insurance comprising total value for the entire Project at the site on a replacement cost basis. Such property insurance shall be maintained, unless otherwise provided in the Contract Documents or otherwise agreed in writing by all persons and entities who are beneficiaries of such insurance, until final payment has been made as provided in Section 15.5 or until no person or entity other than the Owner has an insurable interest in the property required by this Section 17.3.1 to be covered, whichever is later. At the election of the Owner, this insurance shall include interests of the Owner, the Contractor, the Subcontractors and the sub-subcontractors in the Project.

(Paragraph deleted)

§ 17.3.3 The Owner and the Contractor waive all rights against (1) each other and any of their subcontractors, sub-subcontractors, agents and employees, each of the other, and (2) the Architect, the Architect's consultants, separate contractors described in Article 12, if any, and any of their subcontractors, sub-subcontractors, agents and employees for damages caused by fire or other causes of loss to the extent covered by property insurance obtained pursuant to Section 17.3 or other property insurance applicable to the Work, except such rights as they have to proceeds of such insurance held by the Owner as fiduciary. The Owner or the Contractor, as appropriate, shall require of the Architect, the Architect's consultants, separate contractors described in Article 12, if any, and the subcontractors, sub-subcontractors, agents and employees of any of them, by appropriate agreements, written where
